Ranch Horse Competition

for 2011 Sale Horses

Saturday, August 13,

1 p.m. MDT.

"Every one the using kind!"

WELCOME

Robert, Tamra, Kanon, Kolby & Marcia Sperry

Russell, Stephanie, Rylan & Reese Sperry

Kanon Louis Sperry

The Sperry Ranch welcomes you to our 8th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

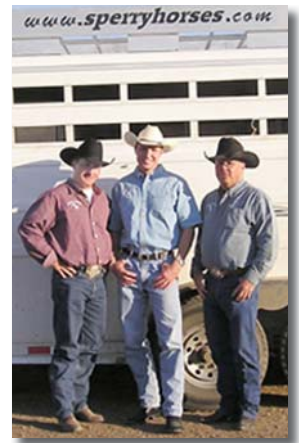

Our weanlings are out of five stallions featured on pages 2-4. They come from lines including Docs Oak, Play Gun, Dash for Cash, SR Instant Choice, Young Gun, Hollywood Dun It and Shinin Spark. Our goal in selecting our stallions and mares is to combine both cow sense and speed to produce horses that can perform in any situation you throw at them.

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather our mares every day in the spring for hand breeding or gather calves in the fall for shipping. These horses have been ridden outside in the badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

But remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

We have had an abundant amount of snow and rain with lots of grass. The calves look great and the hay fields are green and high. But also, some of these horses have missed some days of riding because of the weather, so some of the horses might be greener than normal or have had less roping on them.

Robert Sperry, Mike Uetz & Bud Sperry

We would also like to introduce the newest member of our family, Kanon Louis Sperry, born June 16.

Again this year we have invited some great consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 16, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Mia Dogface Cash has the look and feel of both his parents and grandparents and is shaping up to be the kind of outstanding sire we are looking for to produce foals with both speed and cow sense. He is a pleasure to ride. His sire, Mia Cash Too, was bred for speed and proved it by posting the third fastest qualifying time in the All-American Derby – with a broken knee cap!! Mia Dogface Cash's mother, Cheyennes Huwana, also registered a speed index of 104 during her racing career. Dogface is a full brother to Alfred Hansen's backup head horse, Annie. Ask Bob Hansen how fast they can run.

Gun Too is a beautiful sorrel stallion sired by Young Gun and a grandson of Freckles Playboy. He is a small horse but perfectly proportioned. We purchased Gun Too in Texas and he's exceeding our expectations! He is a pleasure to be around, handles beautifully and rides smoothly. He is currently being used as Robert's PRCA calf roping horse.

5 Foals Sell

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is Badlands, which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "IC" for Instant Cut, "Cash" for Mia Dogface Cash, "Oak" for Millie N Docs Oak, "Gun" for Gun Too and "Dunit" for Keep Shinin On.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "C" year. That's why all our foals this year have a third name that begins with an "C." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

He was the leading performance sire for the AQHA in 2001 and 2002. Shining Spark is the NRHA's youngest Million Dollar Sire. Hollywood Dun It is the only sire in National Reining Horse Association history with foals earning over \$3 million, and his offspring have also won National Cutting Horse Association and National Reining Cow Horse Association dollars. His offspring are known for their attractive looks and intense trainability, are big stoppers and distinctive with a special look and show ring presence.
