Ranch Horse Competition

for 2011 Sale Horses
Saturday, August 13,
1 p.m. MDT.

"Every one the using kind!"

WELCOME

Robert, Tamra, Kanon, Kolby & Marcia Sperry

Russell, Stephanie, Rylan & Reese Sperry

Kanon Louis Sperry

The Sperry Ranch welcomes you to our 8th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

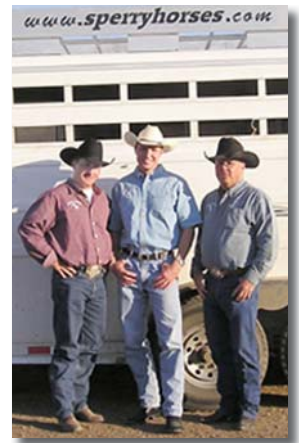

Our weanlings are out of five stallions featured on pages 2-4. They come from lines including Docs Oak, Play Gun, Dash for Cash, SR Instant Choice, Young Gun, Hollywood Dun It and Shinin Spark. Our goal in selecting our stallions and mares is to combine both cow sense and speed to produce horses that can perform in any situation you throw at them.

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather our mares every day in the spring for hand breeding or gather calves in the fall for shipping. These horses have been ridden outside in the badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

But remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

We have had an abundant amount of snow and rain with lots of grass. The calves look great and the hay fields are green and high. But also, some of these horses have missed some days of riding because of the weather, so some of the horses might be greener than normal or have had less roping on them.

Robert Sperry, Mike Uetz & Bud Sperry

We would also like to introduce the newest member of our family, Kanon Louis Sperry, born June 16.

Again this year we have invited some great consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 16, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

Mia Dogface Cash has the look and feel of both his parents and grandparents and is shaping up to be the kind of outstanding sire we are looking for to produce foals with both speed and cow sense. He is a pleasure to ride. His sire, Mia Cash Too, was bred for speed and proved it by posting the third fastest qualifying time in the All-American Derby – with a broken knee cap!! Mia Dogface Cash's mother, Cheyennes Huwana, also registered a speed index of 104 during her racing career. Dogface is a full brother to Alfred Hansen's backup head horse, Annie. Ask Bob Hansen how fast they can run.

Gun Too is a beautiful sorrel stallion sired by Young Gun and a grandson of Freckles Playboy. He is a small horse but perfectly proportioned. We purchased Gun Too in Texas and he's exceeding our expectations! He is a pleasure to be around, handles beautifully and rides smoothly. He is currently being used as Robert's PRCA calf roping horse.

5 Foals Sell

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is Badlands, which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "IC" for Instant Cut, "Cash" for Mia Dogface Cash, "Oak" for Millie N Docs Oak, "Gun" for Gun Too and "Dunit" for Keep Shinin On.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "C" year. That's why all our foals this year have a third name that begins with an "C." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

He was the leading performance sire for the AQHA in 2001 and 2002. Shining Spark is the NRHA's youngest Million Dollar Sire. Hollywood Dun It is the only sire in National Reining Horse Association history with foals earning over \$3 million, and his offspring have also won National Cutting Horse Association and National Reining Cow Horse Association dollars. His offspring are known for their attractive looks and intense trainability, are big stoppers and distinctive with a special look and show ring presence. Hollywood Dun It has earned over \$100,000 in performance and sire awards.

Wow! Jessie has a lot of eye appeal. Along with his looks, his pedigree is loaded with talent. He is a dark copper palomino with a platinum mane and tail. He stands 15 hh, is athletic made and very correct. Jessie has been hauled to USTRC, WTRC ropings and jackpots. He is solid in the box, and works well in the field. In our opinion, we feel he would fit a #2 and above heeler. He has had two owners, been a ranch horse his entire life, worked in the branding pen, sorted and doctored cattle and will hold a tough one. Outside he will cross rivers, creeks, bridges, and is very sure footed in rough terrain. If you are looking for an investment, come and try Jessie. He's guaranteed sound. Piglet is a gorgeous, 14'3 hh buckskin mare. Her sire was Hansen's great stud Mia Pig Too (Dash for Cash, Easy Jet and Jet Deck), and she is out of a Sugar Bars-bred mare. Piglet is very light in the face, bends and flexes with ease, and has a big stop. She is sure to make a top-notch performance horse. Piglet is turning into a very nice heeling horse and will be well started in the breakaway. She is current on all shots and worming, and guaranteed 100% sound and healthy.

Chad has really enjoyed Ray and we hope he goes to someone who will appreciate him. He has a lot of talent in the roping arena. We have headed mostly on him but also heeled. He does not have to be roped on with a tie-down, gives his face and moves his body where you ask. He is quiet and easy to ride, you can walk out and catch him everyday, very honest, hard-to-find type of guy. There is not a thing we have asked him to do that he hasn't given us his all. Badger is a big, stout, steel grey gelding that stands 15.2 hh. He absolutely loves people and is a very quiet horse with no buck. He is a little tight when first saddled but warms up quickly. I have gathered cattle and have logged him. He has a soft mouth and a good stop – he just needs a job. Badger would make a nice, quiet ranch or trail horse. I just have too many horses.

Brit is a nice, solid gelding. He has eye appeal, a big stop and is extremely cowy. I've been heeling and heading off him since last year. Brit is very smart – show him once and he remembers ... good and bad. Call me if you have any questions. If interested in seeing Brit before the sale, stop out. We're located just north of Washburn.

Tuck is a 15 hh, well-put-together gelding. He has been used for all types of ranch work and will really watch and turn a cow. He is easy to get along with. Tuck has a good walk with a lot of feel and a good handle. He is a good prospect for a heel or calf horse – ready to go to work. Call for more information or to try him.

This sorrel horse is nicknamed Boomer after a dog Gary used to have that the more you asked, the harder he would try. When this horse was young and he was turned in with cattle, he would pick out one cow and follow it everywhere it went. Sure was fun to watch and you will like to ride him. Call Keaton for his summer progress, 406-427-5064.

Harlan is a dark, dapple gray gelding and comes with all the bells and whistles. He is bred in the purple – a grandson of the great Doc O'Lena, and great-grandson of Doc's Hickory. He stands 14.3 hh, has very correct legs, and has a big foot to stand the test of time. Harlan has a heart the size of Texas and tries to give his all in any aspect of riding. He absolutely loves attention. We have started roping on him in the arena, and he has all the tools to make it "big time." He has been ridden extensively on the ranch and in the mountains on trails. Harlan will cross bridges, logs and rapid running streams. He is very good with his feet in rough terrain. He is an exceptional ranch horse, has a ton of cow. He will pin his ears and lock on to one. Guaranteed sound. For more info, video or to schedule a personal visit, www.TurnerPerformanceHorses.com.

His dam, Nancys Treasure, goes back to the great Paint running horse, Treasured, and Easy Jet. Yankee has performance bred into him, with both a 3/4 brother and sister being top-notch WPRA and 1D barrel horses. Yankee has been used at brandings, ridden many miles in the country, and can cover any area. He is also a very nice heading horse. He can really run and can log any steer with ease. He has also roped the hot heels extensively. He has been started on the barrels and is showing great potential in the barrel pen as well. He will be jackpotted on this summer. The Ferrari of horses – here he is. Introducing the one and only Hollywood Hail. An own son of Shine Like Hail, he is bred to perform, have class and style, and that he does. He is well muscled and shines like a new penny. He has halter horse conformation, a lot of bone and foot. Copper has been one of Paje's personal horses because of his superior versatility whether it's at the branding, working cow horse or ranch versatility shows, in the roping arena, or on the steepest of trails. Copper is in the incentive fund – for every AQHA point earned on him you will receive cash back! We have started hauling him lightly, both heading and heeling on him and he has a lot of run, rate, has an outstanding move and faces well. On the heeling end, he works very well with a nice, big, smooth stop. He is one that catches everyone's eye. He is very fancy in the arena, has a very smooth collected lope, great lead changes, has an almost flawless turn around, and has a tail-dragging stop. Copper will cut and hold a tough cow, or will stop one going down the fence. He gets along well with other horses, hobbles and pickets out on the trail. He is not just an arena horse, he spent over a year in the mountains, been around game and pack strings. He is a true "joyride". Easy to catch, saddle, load, bathe, clip, shoe and groom. He has no vices and is sound. You will drive the tires off your truck to find another – save your tires – here he is. What a great prospect who is bred well with Smart Little Lena in his bloodlines. Woodrow is gentle and rides good. We have been gathering cattle with this dude and he is started in the arena. What a cute little horse that even rides in a halter.

TROTTERS MEMORIAL ROPING

Friends, neighbors and family gather at the Sperry Ranch each fall to rope and celebrate life. The Trotters Memorial roping honors the memories of Bud Sperry, Gail Smith, Clarence Smith and Betty Smith.

Awards and a patio party complete a day of fun in the arena.

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Justin Kraft, Logan Nielsen, Louis Hutzenbiler and Todd Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,
The Sperry Family

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded four \$500 individual scholarships to members of the North Dakota High School Rodeo Association.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school rodeos to national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that comes with it.

Family, friends, neighbors and horse buyers gathered August 2010 for the Sperry Quarter Horse Sale in Medora, N.D., where they raised funding to start the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to era and friends who have known Bud.

The memorial scholarship will be awarded annually to

two boys and two girls. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

2011 Scholarship Recipients

Dean Meyers and Marcia Sperry (left) awarded \$500 scholarships to the recipients of the 2011 Bud Sperry “Old Cowboy” Memorial Scholarship: Lucas Thompson, Bobbie Jo Nielson, Cody Miller and Tyler Thorson.

Recipients of the Bud Sperry “Old Cowboy” Memorial Scholarship were announced on Sunday in Bowman at the State ND High School Rodeo.

The family of Bud Sperry would like to thank everyone who contributed to the Memorial Scholarship, with hopes of keeping this memorial continuing for many years to come. For future contributions, please contact Marcia or Robert Sperry.

Thank you,
