Charlie is a 9-year-old, Sonny D Bar-bred gelding that we've owned since he was 2. 15HH, stout, black and broke. He has done everything – drug bulls and cows, halter broke stubborn horses and drug hundreds of calves to the fire. He will go anywhere and cross anything. He has a really big heart and never gives up, and he will be the first to greet you in the horse bunch. He has been sorted on, used to doctor. He has had many miles over the years in the ND Badlands. Charlie is 100% sound and is ready to be your number one ranch horse or arena horse. He is ready to haul in the heading and heeling! Quiet in the box and lots of run. Up to date on all shots (5-way and WN) and wormer. Easy to trim, shoe, load. Sidepasses to open gates. Really light in the mouth and moves off your legs. Ride him in a halter if you

want. One hand neck reins. He is one of those rare horses that has been a privilege to own and train. It will be hard to sell him. That's the reason he has been with us so long! Charlie has been started the right way in everything he does. He loves people and likes to please. Call for more information.

ROPING AND GOAT TYING CLINIC

For the past 5 years, Robert Sperry and Kayla Nelson have co-hosted a roping and goat tying clinic the end of May to help young cowboys and cowgirls learn proper techniques. Over two dozen kids participated in this year's clinic learning tie down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

For more information on the 2013 Roping and Goat Tying Clinic, contact Robert or Kayla.

SUGAR

2008 Bay Pony Mare

Sugar is a very nice bay mare pony. Clay started her last year and she is doing awesome. We have hauled her to the Badlands. She will cross water and logs. We have checked cattle with her, tracked cattle in the arena and roped the dummy off of her. She has been hauled to youth rodeos and does barrels, poles, keyhole, flag race and goats. Sugar is nice to be around, picks up feet and catches easy. Clay will preview her and have many photos. She trims and hauls and loads great. Guaranteed sound. Please call with any questions.

There are a lot of sights to see in North Dakota and if you want a sure bet that you can see each and every one, better come and look at Montana. He is a one-of-a-kind gelding – God sure didn't create a lot like him. He stands 16+ hands, and weighs 1,400+ lbs. He is no draft horse, built and looks like how a Quarter Horse should be. The first question you are going to ask is, "Does he stand still while mounting and can you use a mounting block, stump or the fence?" YES! you can. Montana is broke and quiet with a lot of ability. Easy to get along with, pull him out of the pasture any time & ride off. Really nice traveling horse, covers country. Athletic on his feet, ability to turn at speed & will watch a cow. Handy in rough country. Friendly, no bad habits, hobbles, ponies colts, opens gates. Neck reins, side passes. He has been used on pack trips in the mountains, seen every type of game you can see. Quiet when a herd of buffalo, cattle or horses come running to or away from him. He doesn't get hyped up and antsy, stays calm mannered. We have roped on him in the arena, in the pasture and in the branding pen. Montana looks like a movie horse & is a stand out in any group. Guaranteed sound. Call for more information or watch his video on www.TurnerPerformancehorses.com.

5-year-old, 14.3 H, smoky buckskin gelding. There is only one thing that describes this fine prospect and that is "willing." This horse has been willing to do whatever he is asked of. He is a great mover who can easily do flying lead changes and has nice turnarounds. He has been roped on in the arena and on the ranch. He is a rare combination of athleticism and quiet mind. Don't miss him, there are not many like him.

Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Ty Cole, Louis Hutzenbiler and Todd Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded six \$500 individual scholarships to members of the North Dakota High School Rodeo Association.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school rodeos to national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past two years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale in Medora, N.D., where they raised funds for the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to era and friends who have known Bud.

The memorial scholarship will be awarded annually to three boys and three girls. The qualifications for the Sperry

Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses’ website, www.sperryhorses.com.

The family of Bud Sperry would like to thank everyone who contributed to the Memorial Scholarship, and for those who recently sent memorials in lieu of flowers for Marcia’s dad, Earl Bonine. Contributions and memorials will ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry for more information.
