HOW TO PARTICIPATE ON THE PHONE OR ONLINE

We have made preparations to bid and buy livestock through Superior Productions' **"Call or Click-To-Bid"** service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com, 800-422-2117.**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have excellent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Turn in Bids Over the Internet through Click-To-Bid. This is Superior's newest way to buy cattle! **PLEASE NOTE THAT HIGH SPEED INTERNET IS REQUIRED – THIS IS NOT FOR SATELLITE INTERNET OR DIAL-UP INTERNET.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the outlined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 231 and DirecTV channel 345. Please note that there is a short delay if you are watching the auction on television so call in two lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid." Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The person in charge will settle any disputes as to bids, and his decision on such matters shall be final.
3. Any announcement from the seller on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes buyer's risk as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser, until loaded for shipment or until the expiration of December 20th of the current year.
6. All claims for adjustment for bred females must be made before May 1st of the following year. All claims for adjustment for heifer calves must be made by September 1st of the following year.
7. Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
8. Delivery costs and scheduling shall be the sole responsibility of the buyer.
9. A certificate of registry and transfer shall be furnished for each registered bred female sold at a final bid price of \$1,200 or higher. A certificate of registry and transfer shall be furnished for each registered heifer calf sold at a final bid price of \$900 or higher. If final bid price is less than either of these amounts the cattle will be considered commercial. Certificates of registry may be purchased for the difference.
10. The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

**These cattle do sell in accordance with the Sale Terms and Conditions
 set forth by the Red Angus Association of America.**

Female Sale

have gone on to produce high-performance stand outs!

Feddes Blockana 9148

Wildcat Creek Ranch of Newton, KS, purchased Feddes Blockana 9148 as an Elite Pick in the 2010 Big Sky Elite Female Sale. She just sold in Wildcat's 2013 fall sale and was the high seller for \$14,000.

C-T DKK DUKE 1100

GMRA Angie Rose 944 (inset), who sold in the 2010 Big Sky Elite Sale, produced C-T Duke 1100, who was the high selling bull in the 2012 Feddes and C-T Bull Sale, selling to Josh Rust of Turtle Lake, N.D., for \$27,000.

Welcome to the Big Sky Elite Female Sale!

In its fourth year, this great event has once again brought together four of Montana's elite Red Angus breeders. This 2013 offering of Red Angus females are, without question, the best yet and represent a combination of over 105 years of intensive Red Angus breeding programs. The criteria for this sale is the later calvers within their groups. Some of the very top cows within these breeding programs are selling Dec. 4 in Three Forks, Mont.

The cows from past sales have scattered to many states across the country and have excelled in many different environments. Whether you are starting a Red Angus herd or adding great females to an existing one, the Big Sky Elite Female auction should not be missed.

We are seeing Red Angus calves starting to dominate several auctions across the country. Whether it be Red Angus replacement heifers on Superior Livestock Auction or Red Angus-influenced steer calves at local barns, farmers and ranchers are seeing greater pay weights in price per pound on Red Angus genetics.

One of my most interesting visits this fall was with Jerry Frieouf of Bramer, Okla. He weaned his first Red Angus calves under range conditions with no creep feed at 653 lbs., while his Black Angus counterpart calves, under identical conditions, weighed 560 lbs. – nearly a 100-lb.-per head difference!

If you have never tried Red Angus cattle, I encourage you to study the breed – the Red Revolution is on!

I invite you to come see for yourself the exceptional cattle these breed-leading operations have to offer. If you cannot attend, please note this year's sale will be televised by Superior Livestock Auction. You can find bidding instructions on the inside front cover of this catalog or on Superior's website, superiorlivestock.com.

I look forward to seeing you in Three Forks, Mont. If you need any assistance, please feel free to give me a call at 641-919-1077.

Best Regards,
Kyle Gilchrist

GREEN MOUNTAIN RED ANGUS
HEADQUARTERS
 & BULL FACILITY

Get off 1-90 at the Logan Exit, #283. Go north and take a left on the frontage road. Proceed west toward Three Forks, about 1/2 mile. Take a right onto Logan Trident Road, heading north. The road immediately crosses the Gallatin River and the railroad tracks, as shown on the map. Green Mountain Red Angus is 2 miles from the railroad tracks. Watch for the large Green Mountain Red Angus sign.

Bred to: **C-T MAKIN DESIGNS 1157 (#1426212)**

Due Date: **3/5/14**

This Big Sky daughter has paid her way and putting her in this sale was not an easy decision. She is a moderate framed cow with loads of volume and a picture perfect udder. She produced our 2nd high selling herd sire in 2011 by Ole's Oscar. She is a female making machine with 29 milk and 6 traits in the top 25% of the breed. This Copper Queen cow family has been very productive and has proven themselves time and time again at many sales across the country. Big Sky needs little introduction, widely known for both his very maternal daughters and great calving ease. I believe this cow could go into the heart of some ones donor program and be a great influence on someone's herd. MPPA 103.8.

Open Heifer

This heifer is a unique opportunity to buy one of the first females sold out of Duke 1100, and she is a great one. Being a trait leader in 6 traits and having this kind of milk and growth is hard to find. It will be a tough choice on this heifer vs. her dam and I'm glad I don't have to make it. This heifer will be an exciting combination of maternal and growth. Her dam has already carved a wide path and her sire Duke 1100 is a young sire off to a great start.

GREEN MOUNTAIN RED ANGUS

Home of performance-minded females

This year for the GMRA Elite Pick we are featuring two of our top bred heifers. Both are absolute standouts, from personal performance to phenotype to pedigree.

**GREEN MOUNTAIN ELITE PICK
BRED HEIFER**

With the purchase of this Elite Pick you can choose either of these bred heifers OR you can pick your own out of 51 GMRA replacements.

Sire lines include:

- GMRA LARAMIE 5110 • HXC CONQUEST 4405P
- LJC MISSION STATEMENT P27 • MESSMER PACKER S008

Bred to: GMRA TRILOGY 0226 (#1367533) Due Date: 1/15/14
This Laramie daughter is out of a Red Spread dam, who is a daughter of the outstanding foundation female, BJR Estonia 9S-1210, who raised many top end progeny for GMRA. Not only does 283 come with an impressive maternal pedigree, she posts top-end personal performance with a WR of 111 and a YR of 105.

It takes great cows to make great bulls!

**FEDES ELITE PICK
BRED HEIFER**

All four heifers are sired by Mulberry X648 and their dams are all from Blockana cow family. X648's dam is a powerful daughter of UBar Grand Prix. She has done a fantastic job for Nelson Red Angus in Minnesota. These are the first daughters and they are good. They have a real brood cow look with loads of power. Selling choice of these four bred heifers.

Open Heifer
This heifer calf is an ET daughter of Feddes Blockana 58S who Ken Marquis purchased (1/2 interest) from us several years ago. A113 has been a favorite with several visitors this summer and fall. We thought putting her in this sale would represent our 2013 heifer calves very well. She is fancy, fancy, fancy!!! Granddam 041 was an elite donor before selling to Wildcat Creek at 10 years old.

They went that way, Grandpa!

Breed to: DKK DYNAMITE 285 (#1509787)

Due Date: 2/7/14

A highly maternal pedigree going back to FCC Rambo 502 and BJR JR 107. This is an attractive 3-year-old with loads of potential. She is bred to DKK Dynamite 285, the high-selling bull at the Klompien's bull sale this past spring. Her fancy 2013 heifer calf by Grand Statement will definitely be retained in the Klompien herd.

Breed to: BIEBER GOLDBAR Y379 (#1441761)

Due Date: 4/23/14

Here is your chance to take home an absolute power house foundation female! Just take a look at the maternal power and the picture perfect udder she shows at 10 years of age! Lakota 341 is the dam of GMRA Laramie 5110 who sold in our 2006 bull sale to Three I Farms and ABS for \$10,000. Laramie was the 8th most used bull in the Red Angus breed in 2009. 341 is also the dam of GMRA Secret Mission 8258 who sold in our 2009 bull sale to Laubach Red Angus and Redland Red Angus for \$10,750. Her MPPA is an impressive 106.9, ranking her in the top 5% of the GMRA herd. She has an average BW of 72, an average WR of 108 on 7 calves and an average YR of 105 on 6.

Bred to: **C-T GRAND STATEMENT 1025 (#1365711)** Due Date: 2/8/14
 433 is one of our top MPPA (107.9) cows in the herd. She brings in one of the biggest calves every year. She has been considered for the donor pen the last several years. Several of these cows would be sticking around here at the ranch for a few more years, but we made the decision to sell all of the 2004 model cows. Our loss – the buyers gain.

Bred to: **BIEBER GOLDBAR Y379 (#1441761)** Due Date: 5/3/14
 Another great genetic opportunity being offered straight from the top of the GMRA herd! Thelma 930 is just entering the prime of her life and already posts an impeccable performance record. She is the dam of GMRA Peacemaker 1216, who sold in our 2012 bull sale to Accelerated Genetics and Bieber Red Angus for \$20,000. She boasts an MPPA of 107.1, making her the #1 MPPA dam of all 3-5 year olds in the GMRA herd, with an average WR of 111 on 3 calves and an average YR of 112 on 2. This all combines with a high-end EPD package – 11 of her 15 are in the top 1/3rd of the breed or higher. Thelma will make a powerful addition to any program and may just be the next great dam in the Red Angus breed.

Breed to: **BIEBER GOLDBAR Y379 (#1441761)** Due Date: 3/8/14

This Lakota dam has a pedigree that goes back to the 527 foundation cow, showcasing the maternal strengths of that branch of the Lakota cow family. Going back 4 generations you never see an MPPA under 103.7 and that culminates with the 527 cow's MPPA of 108.5. Lakota 509 has proven predictable performance. Her own MPPA is 106.2, placing her in the top 9% of the GMRA herd. She has an average WR of 108 on 7 calves and an average YR of 104 on 6 and has never had a calf ratio under 102 at weaning. For an older cow she has extremely consistent and relevant EPDs for today's marketplace with all but 1 of her numbers ranking in the top 55% and 4 of those are in the single digits.

Bred to: FRITZ JUSTICE 8013 (#1255322)

Due Date: 3/4/14

This Vacation daughter has done a great job in her young career at GMRA. She has an MPPA of 104.9 with an average WR and YR of 108 and 104, respectively, on 2 calves. Last year's bull calf is a full brother to the one on board and sold to Circle Pi Ranch for \$5000 in our 2013 bull sale. That makes the math easy - she's going to produce profit! She's got a strong set of numbers with 7 of her EPD's ranking in the top 24% of the breed or higher, with a strong emphasis on top end maternal numbers.

Bred to: SILVEIRAS MISSION 1378 (#1410853)

Due Date: 2/7/14

Beautiful is one of the first words that come to mind when looking at this cow. She is a long-bodied female that is deep and has muscle tone to boot. She has WW, TM, STAY and MARB in the top 30% of the Red Angus breed. She had a beautiful Packer daughter this year that will remain in the Klompfen herd. Bred to Silveiras Mission 1378 (a Mission Statement son) for a 2/7/2014 baby.

Breed to: **GMRA STETSON 2240 (#1525314)** Due Date: **3/12/14**

Anne 262 showcases what we love about the Mountain breeding that goes back to the old GMRA EBV 266 bull. Phenotypically, she's got it all – tremendous depth of rib with a broad top, great muscling and a deep rear quarter. She turned in great personal performance, with a WR of 111 and a YR of 104. Her dam posts an MPPA of 108.2, which places her as the #7 cow in the GMRA herd. Anne 262 is the type of power cow we breed for. The calf on board should be an absolute standout, and will have 8 EPDs in the top 25% of the breed or higher.

Estimated EPDs

2S is a powerful producing Mimi daughter. Her son was our high selling bull in 2013 to Rust Mountain View Ranch for \$20,000. We are currently dealing with a bull stud on a grandson of 2S (Feddes Oscar X28). She is powerful and is passing it on! 2S' averages on 5 head are: BW: 95, WW: 108, YW: 110, REA: 109, MPPA: 105.8.

Feddes Cascade Z157 was Cross Diamond Cattle Co.'s pick of our 2013 bulls. He is a Packer out of a powerful Mimi daughter (MPPA 104.6) that has been a prolific donor cow for us.

Bred to: BIEBER GOLDBAR Y379 (#1441761)

Due Date: 4/10/14

This young standout, a product of the Lakota 912 lineage, is following in the footsteps of her high-end maternal pedigree. She boasts a 106.4 MPPA, which is the 3rd highest in the GMRA offering, putting her in the top 7% of the GMRA herd. She has an average WR of 110 on 3 calves and an average YR of 104 on 2. Her EPDs showcase performance power. 8 of them are in the top 25% of the breed or higher, with YW, TM and Marb in the top 3% and WW and CW in the top 2%. The Goldbar calf that will hit the ground this spring moderates her BW and still leaves 8 of her numbers in the top 25% or higher.

Bred to: **LAUBACH LOMBARDI 9014 (#1310573)** Due Date: 5/7/14
 This young cow has the potential to be a production powerhouse. Her dam is one of GMRA's most productive cows, posting an MPPA of 108.5, which is in the top 3% of the herd. Larkoba 145 is a maternal sister to GMRA's Lot 1 bull in last spring's sale, who was one of the most phenotypically correct Packer sons we've ever seen. As a result, she should make a great cross with the Packer son, Lombardi. Look for a calf with a beautiful muscle pattern and a great phenotype. Some of her top EPDs are a TM in the top 5% of the breed, a YW top 6%, CW top 5% and WW top 3%.

Bred to: FRITZ JUSTICE 8013 (#1255322) Due Date: 3/6/14

This Mission Statement daughter is backed up by a pedigree full of power. Her dam posts a 103.2 MPPA and her grand dam has the 6th highest MPPA in the herd with a 108.5. Larkoba 038 has a set of EPDs that place her at the absolute top of the breed - 9 are in the top 12% or higher, with 8 of those being in single digits. Combine that with Justice and you bring even more growth and power to the progeny.

*The eye patch she wears is strictly for fashion! It is a birth mark and does not demote her to a Category II. She is still 100% 1A.

 968 has the phenotype we strive for at GMRA. Just one look at her picture lets you know the pattern she stamps in her calves. They all showcase excellent eye appeal with broad tops, deep rear quarters and outstanding depth of rib. Overall she has over half of her EPDs in the top 26% of the breed or higher, showcasing a nice birth to growth spread and a top notch ME EPD.

Breed to: BIEBER GOLDBAR Y379 (#1441761)

Due Date: 3/8/14

Estonia 027 can trace her lineage back to some of the most functional old school genetics ever produced at GMRA. The Estonia cow family is all about function and 027 has raised two heifer calves for us, both of which have stayed in the herd as replacements. 10 of her EPDs are in the top 1/3rd of the breed or higher, with an emphasis on calving ease and maintenance.

Bred to: DKK POWER PACK 236 (#1509746)

Due Date: 2/15/14

Dixie sports six traits in the top 30% of the breed with incredible carcass – CED, YW, MARB, YG, REA and FAT. Take a look at this young lady – she is a good one and is only four years old. Her mother has produced several bull calves that have made it into registered herds. Her 2013 heifer will be retained in our herd.
