*Best of Both Worlds 4*

**Female Sale**

**Saturday, Sept. 28, 2013**

**At the Farm • Emerald, Wisconsin • 11 a.m. Sharp**

# Welcome!

Join us at our Emerald Farm, or online, Saturday, September 28th at 11AM Central Time for our Best of Both Worlds 4 production Sale. DVAuction will host the video auction for us, be sure to register with them before the auction so you don't miss out. All sale cattle will be on display at our Emerald Farm, but will not be run through the ring. Videos and the online sales catalog will be available two weeks prior to the sale.

Dave and Mary

I particularly want to thank all of the crew that allows me to do what I love. They are the ones out in the 40-degree below zero weather saving calves and feeding cattle. Our herd also takes a lot of groceries and believe it or not it also gets 100 degrees in WI and the crew still gets the feed up. Mitch Larson and his team do an outstanding job of breeding and embryo work. The Damar conception rate is tremendous. This then allows us to offer the great genetics in this sale. Ennis Wallace has done most of the selection of the lots in the sale. My ears are still ringing with "Doc, we will not sell anything we would not buy ourselves." This year we have something for everybody and we'll sell in catalog order. Tracy Harl and Roger Allen will be on the block for the Simmentals. Kyle Gilchrist and Ennis Wallace for the Red Angus.

Most people know I am particular about time, yours and mine. With the number of lots to sell, we will start exactly at 11 o'clock and move rapidly. Don't leave saying "I should have bought a particular lot." Buyers are coming from great distances and as always, I think it is best to evaluate the cattle in person.

If you cannot join us, Justin Dikoff of DVAuction did a superb job videoing the cattle.

Thanks again for allowing us the opportunity to present and sell you our genetics.

Sincerely,

Dave "Doc" Hehli

Owners: Dave and Mary Hehli, Strum, WI

**Catalog and Promotion:** Cow Camp Promotions • Tracey Koester

We have about 200 great commercial cows that didn't take an embryo or were late bull bred. They will be sold in early December through Private Treaty interest or auction.

Contact Ennis at 731-415-4299 for information. Damar's goal is to have an all-registered herd. Our commercial herd has been heavily culled.

*Radiant's pedigree is simply royalty in the Simmental breed. Her sire, Sheer Force, has single handedly changed more EPDs for the positive than any Simmental bull in the history of the breed. His accuracies are high and his genetic values are phenomenal. Her dam, Hollywood Queen, is the most-prolific cow in the breed. Look up her progeny report. She has over 265 progeny. Her name is household. Radiant is the most complete of her daughters. From phenotype to genotype, she has it all. She has the built-in promotion that will get you to that dollars earned. Buy her genetics with confidence. Safe to Duff New Edition.*

*We have decided to mainstream our Simmental herd at Damar. The Miranda cow heads that up. Research her pedigree and you'll see why we like her. The Miranda cow family was one of the true matriarchs for the Gramms in Minnesota. And the Singletary bull never failed to impress the breeders that used him. Miranda and her first calf were grand champion at the NAILE in Louisville. That says it all for her phenotype. Mirada has a great future! Offering 5 embryos with a guarantee of 2.*

*This bred heifer is the result of breeding two national champions – Dominance and Shamoo. This is an opportunity to purchase national champion genetics. Many full and half sibs have been doing well. Craig McCulla purchased one for \$4,600 in Texas. Chad Bruner has purchased half sisters. One was the high seller in our sale last year. One was champion at Kansas Beef Expo. Safe in calf to Uproar bull for added genetics.*

DAMAR is committed to selling only their best, as you will find in Lot 56. The dam, Spicy, rapidly moved to the donor pen based on her sound structure, fluid movement and incredible bone. She was recently named Grand Champion Simmental Female at the 2012 Pennsylvania State Farm Show, Junior show. Her sire, Grandmaster, is the "must use" bull to take home the purple. He is a legacy as one of the greatest female makers of his time.

**View the Auction Live!**  
**Bid Online... you're ringside right at your desk!**

Buying online is as easy as 1, 2, 3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

**High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

 DFRA TARMILY N512

*What better way to start a DAMAR sale than with the Tarmilly cow family and a DAMAR Mimi daughter. This is an amazing individual – flawless phenotype, muscle shape and moderate frame. The disposition on this heifer makes her a winner. Lot 101 and 102 both sired by the upcoming super sire and Lorenzen bull sale topper, at \$28,000, Lorenzen What's Good.*
