GREAT FRIENDS | GREAT CATTLE | GREAT FUN!

Friday and Saturday,
May 10-11, 2013
Bismarck, ND

Effertz EZ Ranch Discover Lowline Weekend

OFFERING 70 LOTS OF LOWLINE CATTLE

Friends,

It has been a wild ride for most of this year but like many wild rides, not short on excitement. The excitement about the drought and high feed prices have, in turn, created a lot of excitement and interest in smaller framed, lower maintenance cost, highly efficient Lowline cattle. Couple that with the rapidly growing demand for high-quality, home-raised, all-natural beef and you have a "double whammy" of opportunities to prosper in the Lowline business.

We are seeing incredible growth in the number of new inquiries at our ranch and within our breed registry. That is why I say that although the cattle are smaller, "we are the fastest growing breed in America."

We welcome you to our 7th Annual Discover Lowlines Weekend Breeder Seminar and Sale. It has been a real challenge due to crazy weather and short feed supplies to get all the pieces of the puzzle put together for this year's event. I think you will enjoy Matt Boss' presentation about his developing fodder system of supplementing his Lowline beef herd. I know you will enjoy "The Effertz Girls" presentation about preparing Lowline beef, especially when you get to taste it! And I know we all can learn a lot about how to photograph and market our seedstock from Tracey Koester of Cow Camp Promotions.

Most importantly, I know it has been excruciating for me to let go of some of the really nice young cows and heifers in this sale. I can only say that if I had these quality cattle to get started with in 1996, some 17 years ago, the Lowline breed would have gotten bigger and more impressive even faster. It is only after years of experimentation and rigorous selection that we end up with some of this fine seedstock. I really hate to see them go but I really enjoy seeing the fantastic successes that our customers have enjoyed over the past few years, especially this last year. As I said to start ... wow, it has been a wild ride!

Please call or email if we can help you in any way.

Neil and Jan Effertz and Family

Neil & Jan Effertz & Family

17350 Hwy 1804 N. • Bismarck, ND 58503

EZ Ranch Discover Lowlines Production Sale

Saturday, May 11, 2013 • 1 p.m.

On the ranch, Bismarck, ND

Sale day phone: 701-223-5202 • 701-471-0153

GUEST CONSIGNOR:

Grassline Cattle Co., Grant and Jaana McDonald, Cokato, MN 320-221-3446

BREEDING PRIVILEGES:

For each EZ female lot purchased, the buyer will be entitled to two straws of semen from an Effertz EZ Ranch herd bull for use on that female. The certificate to register one calf out of the female purchased at the sale will be provided to the buyer at no additional cost. For more details, refer to Page 20.

DIRECTIONS TO THE RANCH:

Effertz EZ Ranch is about 16 miles north of Bismarck, ND on Highway 1804. From Bismarck, take Highway 83 north for 4 miles to the junction of Highway 1804. Stay on Highway 1804 for 12 miles as you go west then north along the Missouri River. The ranch is on the west side of the road between mile markers 95 and 96.

AREA MOTELS:

Rooms are being held at these convenient area motels:

Kelly Inn

1800 N 12th St. • Bismarck ND
701-223-8001

Americinn Lodge and Suites

3235 State St. • Bismarck ND
701-250-1000

Rooms are scarce in Bismarck. Please make your reservations by April 30.

SPECIAL REPRESENTATIVES:

KRIS PETERSEN, CATTLE BUSINESS WEEKLY
701-339-0305 CELL

DEAN PIKE, AMERICAN LOWLINE REGISTRY
303-810-7605 CELL

If you are unable to attend the sale and would like to discuss the sale cattle, we urge you to call Dean Pike. He is an experienced cattleman and field representative and a valuable resource for Lowline breeders. He will discuss the sale cattle with you and help you with your selections. You are also welcome to call Kris Petersen or Neil.

HERD HEALTH:

Weaned open heifers and cows have all been calfhooed vaccinated for bangs. The open heifers have had our preweaning vaccination program of Virashield 6 plus Somnus and Ultrabac 7. Post calving, the cows have had Bovashield Gold FP5-VL5. All cattle have been poured with a generic ivermectin for insects. All calves have been vaccinated with moraxilla bovis for pinkeye.

VIDEO AND ONLINE UPDATES:

Because of a poorly timed spring snow storm, we had to send the catalog to press without all the photos we had hoped to include. As the snow melts, we will be taking photos and video of the sale cattle. Please check our website www.loala.com for updates.

**CAN'T ATTEND THE SALE?
WATCH AND BID ONLINE!**

Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyer accounts must be created two days prior to the sale. Please visit www.LiveAuctions.tv to create a free account, request a buyer number and familiarize yourself with the bidding procedure. If you have difficulty during the sale, call the sale day phone 701-223-5202 or 701-471-0153.

Web Address <http://www.LiveAuctions.tv>

TRUCKING:

We will assist buyers in coordinating transportation.

INSURANCE:

Livestock insurance will be available at the settlement desk for those buyers wanting to insure their purchases. We ask any buyers who leave their purchases at the ranch more than a day or two to insure them.

7th Annual Discover Lowlines Schedule of Events

FRIDAY, MAY 10

2:00 P.M. BREEDERS' SEMINAR

As we attend seminars and meet with leaders in the grass-fed beef industry, we have heard over and over that some of the best females to use in a grass-fed operation are percentage Lowline cows and our own experience confirms that. We hope you can join us for an afternoon of interesting topics of particular interest to Lowline breeders, addressed by engaging experts in their field. It's a great time to network with fellow breeders and then enjoy a Lowline beef supper. Please join us!

Tracey Koester, Cow Camp Promotions, will engage producers in understanding and implementing good-quality livestock photos to best represent their cattle. A good picture can pique potential buyers' interest and bring them to the sale – but a poor photo can deter them all together. She will also touch on other aspects of livestock promotion in order to market your livestock to their full potential.

Matt Boss, Boss Farms, Bishopville, S.C. With a half hour per day of labor, Boss Farms is raising 600# of fodder per day. Learn how 1# of barley seed yields 7 - 8# of fodder in 7 days.

Back by popular demand!

"The Effertz Girls" know that one of the best things about raising Lowlines is eating Lowline beef. Join Kate, Sarah and Abbey for cooking demonstrations and tasting grass-fed Lowline beef. They will also have recipes and will discuss marketing tips for selling your grass-fed Lowline locker beef.

6:00 P.M. LOWLINE BEEF SUPPER & SOCIAL

SATURDAY, MAY 11

10:00 A.M. PRE-SALE HOSPITALITY

Have a cup of coffee, look at the sale cattle and visit with fellow cattlemen.

11:30 A.M. LOWLINE BEEF LUNCH

1:00 P.M. 7TH ANNUAL DISCOVER LOWLINES SALE

Following the sale be sure to stay for ranch tours and supper. It's time to relax!

Bonanza's Boxcar 3Y

Boxcar Willie, son

Last year, Boxcar was National Calf Champion and National Reserve Grand Champion Bull where he was a favorite of judge Jary Douglas who called him "the most complete bull we've seen". He has matured into a beef machine. He is full bodied, big topped, deep quartered and incredibly structurally sound. Boxcar was put to heavy use last year natural service, breeding over 40 heifers. His first calves, just now hitting the ground, have excited us into believing that this might be our best ever calf crop. Co-owned with Grassline Cattle Co.

Meet "Boxcar Willie," the most exciting young fullblood herd bull prospect to come around in quite awhile. He has a world of style and exudes power and prepotence from his flawless profile and prestigious pedigree. His sire, Boxcar, was the talk of Denver as the 2012 National Calf Champion and Reserve National Champion Bull as an eleven month old phenom. His dam is a spectacular Lisbon daughter of the 2000 National Champion Female, EZ Fantasia 20J. One of Fantasia's daughters, EZ Cinderella 61U, produced the National Champion Bull, Prince Charming, last year in Denver. We have sold over \$50,000 worth of progeny and over \$13,000 worth of embryos out of Fantasia and we have 6 daughters in our herd. This terrific young bull has awesome carcass genetics and magnificent maternal traits. Selling half interest in this exciting show prospect!

Lolo is a diminutive but real fancy July fullblood heifer calf carrying the red gene. Her sire Johnnie Walker sires them extremely correct and classy and this little girl is no exception. She's a sweetheart whose dam has already produced a \$5500 heifer. She's the perfect heifer for those breeders who want them to stay small but be REAL good!

Connor James, our new grandson born in January. Parents are our daughter Sarah and her husband Kris. He joins big sister Anna.

Fullblood Embryo Baskets

17A Four Fullblood Egg Basket

Winners package!! The offspring from these embryos should present an extraordinary opportunity to show a winner, market a sale topper and add breed leading genetics to your herd.

2 embryos sired by Boxcar FM15218 and out of EZ Lacey 55T FF6148

2 embryos sired by Utah FM74 and out of EZ Maggie 33P FF3001

Boxcar

2012 National Reserve Champion Bull and sire of the Lots 17A and 18A embryos

EZ Lacey 55T

2009 Houston Grand Champion Female and donor of the Lot 17A embryos

DDR Lexcey

2012 Louisville Reserve Grand Champion Female, sired by EZ Lexus and out of EZ Lacey 55T, produced by an embryo purchased from EZ Ranch. Exhibited by Doll House Genetics and Mountain View Cattle

Utah

sire of the Lot 17A embryos

EZ Maggie 33P

2006 National Champion Female and donor of the Lot 17A embryos

EZ Maggie 33P

as a 6 year old

EZ Maggie Mae 19W

Houston and Iowa State Fair Champion and a daughter of EZ Maggie 33P

LR Lady 45

a tremendous halfblood daughter of Utah who was the high selling percentage heifer in the 2013 National Sale at \$6200.

17B Five Fullblood Egg Basket

Powerful genetics out of an outcross imported female whose offspring have proven superiority by a wide variety of sires.

2 embryos sired by Jackaroo FM8279, out of Brambletye W332 FF2180

3 embryos sired by Findon Royale FM7445, out of Brambletye W332 FF2180

Jackaroo

sire of champions, sire of the lot 17B embryos

Brambletye W332

donor of the Lot 17B embryos

EZ Cinderella 61U

sired by Findon Royale and a paternal half sister to the lot 17B embryos

EZ Fancy Pants 12R

2005 American Royal Champion Female and a daughter of Brambletye W332 and sired by Utah. Fancy Pants is a very successful donor at Muddy Creek Ranch and the dam of Crazy Train.

KBW Beau Vine

a son of Brambletye W332, sired by Beau Lad, produced from an embryo purchased from EZ Ranch.

EZ Captain Jack 1X

2010 Reserve National Champion Bull and a son of Jackaroo.

Embryos purchased from Effertz EZ Ranch always come with the paperwork and AI certificates necessary to register the calves at no additional cost to the buyer.

Percentage Embryo Baskets

18A Four Halfblood Red Factor Embryos

4 embryos sired by Boxcar FM15218 and out of Miss XL W96E, a registered red Simm X Angus Cow

These embryos out of a powerful red Simm Angus (Red Angus) dam could be the best red factor halfblood embryos in the breed.

Boxcar

2012 Reserve National Champion Bull and the sire of the Lot 18A and 17A embryos

Miss XL W96E

donor of the lot 18A embryos

EZ Lulu 121Z

a halfblood daughter of Miss XL W96E that sold for \$5250 at the 2012 American Royal to David Thompson.

18B Four Sexed Heifer Calf Halfblood Embryos

2 embryos sired by EZ Update 16U (sexed heifer semen) FM7549 and out of a registered Angus cow Blackbird of Rolling Rock 6293.

2 embryos sired by EZ Lexus 18L (sexed heifer semen) FM2268 and out of a registered Angus cow C & D Lady Ashley 6807 - 725, a daughter of DHD Traveller 6807.

These sexed heifer calf halfblood embryos bring tremendous genetic opportunity, combining the proven Lowline genetics of Lexus and Update with outstanding Angus genetics from the Bill and Dale Davis' Rollin Rock herd in Montana and the 6807 foundation bull that sired benchmark females in the Tim Olhde herd in Kansas. It is so unusual to have this quality Angus genetics in a lowline embryo....and you are going to have heifer calves....pretty special.

Man, what a fancy young show steer prospect here! He's just a fall baby but this halfblood calf has what it takes to win if he is fed properly. He will work for 1 1/2 years for some junior's project.

Meet our new percentage herd bulls!

MRG Mojo 17Y

2013 National Champion Bull

Judge Clint Rusk said, "If you want to describe what a perfect bull should look like, take a picture of this bull. I wouldn't change much about him." Mojo is a very complete, eye-appealing, halfblood bull by the Ali son, Bojo, and out of a great fullblood Lowline cow.

Doll House Gunslinger 223Z

2013 National Calf Champion Bull

Gunslinger was also 2012 Supreme Champion Lowline at the NAILE in Louisville as a calf. His double-halfblood pedigree is loaded with strong maternal cow families. His free-moving, structural soundness and natural thickness and muscling make him a powerful, maternally strong, halfblood bull.

EZ Ranch Breeding Privileges

Each female lot in the sale sells with breeding privileges to our Effertz EZ Ranch herd bull battery. Effertz EZ Ranch will provide two straws of semen and one AI certificate for one calf out of the cow purchased in the sale. The shipping costs for the semen will be the buyer's responsibility. Buyers are welcome to bring their semen tanks to the sale and pick up semen then.

Because of extremely limited supply, semen on Beau Lad, Lexus and Utah will not be available for breeding privileges, and Jackaroo semen is not available for breeding privileges.

Pictured here are many of our herdsires. Complete pedigrees are available on our website www.loala.com or call us for more information.

Semen is available on many of these bulls for \$25/straw. Special pricing applies to Captain Jack and Boxcar. Legend semen is not available for sale. If you need to purchase semen and want to save shipping expenses, call ahead so we are sure we have what you need here in our tank and you can pick it up sale day.

LOWLINE

Terms and Conditions

Terms: Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Insurance of Purchases and Risk: All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement. Cattle left at Effertz EZ Ranch after the sale must be insured by the purchaser.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

Health Papers: Our vet will be on hand to write interstate health certificates.

Registration and Transfer: All animals sell with registration papers from the American Lowline Registry and will be transferred after the sale at the seller's expense.

Announcements: Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

Breeding Guarantee: Bred females in the sale have been pregnancy examined by a veterinarian and found to be safe in calf. Bred females and females with calves at side are considered to be breeders and no further guarantee applies. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when

she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Lowline bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls are semen tested. No guarantee is given that a bull will produce semen that will freeze.

Liabilities: All persons who attend the sale do so at their own risk and Effertz EZ Ranch assumes no liability for any accidents that may occur. Neither does Effertz EZ Ranch assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God.

Contract: The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

Mail bid: Mail or wire bids may be furnished. Bids must be in the hands of the sale staff in ample time prior to the sale and will be handled in strict confidence.
