3064 – This Bluegrass son is out of a first-calf heifer we showed. He is moderated framed, thick topped, and has a great disposition. He would work on heifers as well.

3028 – An easy-going, red-factor Charolais with performance, muscle expression and style. He will add extra dollars to your next calf crop.

3069 – Here is a level-topped bull that attracts your eye with his muscle expression and depth of body. The Grid Maker and Tenacious pedigree sure seem to be a hit.

3037 – Here's a long-bodied, eye-appealing bull packed with muscle. Having a great combination of calving ease and muscle shape, he should sire light-weight calves loaded with power.
