**Saturday, March 29, 2014**

**At the Farm • Mondovi, Wisconsin • 11 a.m. Sharp**

# Welcome!

Please join us at our Mondovi farm, or online, Saturday March 29th at 11 a.m. Central Time for Damar Farm's Fifth Annual Bull Sale. DVAuction will host the video auction for us. Be sure to register with them before the auction so you don't miss out. All cattle will be on display at the Mondovi farm, but will not be run through the sale ring. Videos and the online sale catalog will be available two weeks prior to the sale.

Denise and Mitch Larson

We are very pleased with the bulls we have to offer you this year. As we watched them grow we knew it would be difficult to pick out the best ones to save for this sale. After weaning last fall we started sorting through and selecting these bulls. With over 300 to choose from, we finally narrowed it down to the top bulls Damar has to offer. With these bulls there is a good range of opportunity from calving ease to growth and even carcass traits. We are proud to offer something for everyone! All of our bulls have been semen checked and are guaranteed for the first breeding season.

We would like to thank "Doc" for allowing us to do what we love and giving us the ability to use the best genetics possible so we can keep improving the herd. We would also like to thank our crew for working hard to keep things running smoothly.

If you cannot join us, Justin Dikoff with DVAuction did a superb job videoing the cattle.

Thank you for allowing us the opportunity to present and sell you our genetics.

Hope to see you sale day.

Sincerely,

Mitch and Denise Larson
