Welcome,

Welcome to our annual production sale. 2013 is a year that has certainly been memorable. Our valley was hit with a HUGE hail storm on August 1, that destroyed thousands of acres of cropland and grazing land. Although we suffered loss, we were not in the path of the worst of it, and we are thankful for all we have been blessed with.

The cattle market continues to strengthen, with record low cattle numbers. Fat cattle and feeders are at record levels; Red Angus bred females and replacement quality commercial heifers calves are topping the markets on a regular basis. Many of our customers are getting well above steer price for their Red Angus heifer calves. One of our long time friends and customers in South Dakota sold a large group of heifer calves for \$1,550 in January.

The next few years it is especially important to pay attention to maternal traits. We always have stressed maternal traits, not chasing extremes or fads, but breeding generation after generation of functional, trouble-free, (disposition is very important) low labor females with exceptional feet, leg and udder structure. We breed for balanced cattle, with calving ease, solid growth and carcass, and always putting emphasis on maternal traits. I might add that for our herds, maternal traits are measured by much than EPD's alone.

We feed for a 3 lb. gain on the bulls, and they are right there even through a week of -20 to -48 degree weather in early February (it was less than fun calving that week). This is the most uniform set of bulls top to bottom that we have offered. There is a good selection of calving ease bulls as well as cow bulls. We are always striving for balanced cattle. The daughters from these bulls will make really good cows.

Our families are blessed to be a part of production livestock agriculture, and the Red Angus family. Our families seem to get busier each year, with church activities, ball games, 4H, hunting and barrel racing, no wonder the years speed by.

Please feel free to give us a call. We ALWAYS enjoy visiting about cattle and life. We will assist you in any way we can.

Blessings from the Feddes and DeBoer Families

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes and his decision on such matters shall be final.
3. Any announcement from the block on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes the buyer's risk as soon as sold. Cattle will be cared for, for a reasonable length of time at the ranch, at the buyer's risk.
6. Retained Interest: All bulls will sell half interest and full possession. The buyer receive full possession and full salvage value. The seller has the right to collect semen at the buyer's convenience, and the seller's cost. If the buyer wishes to share in the collection costs and revenues, that is his/her choice.
7. Registered heifers selling for more than \$1,200 will sell with papers. Less than \$1,200 will be sold as commercial.
8. All bulls selling will be covered 50% if they are injured during their first breeding season. 50% of the value of the injured bull will be given as credit in a future Feddes/C-T sale toward a replacement animal. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should an injury occur prior to the injured bull being sold.
9. Everyone attending the sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
10. Free delivery to central points in Montana. \$50 will be deducted from each bull that the buyer takes home from the sale. We will help with arrangements on females. Heifers are delivered at cost. We will attempt to deliver bulls in early April.
11. A certificate of registry and transfer will be furnished for each animal sold as a registered animal after settlement has been made.
12. The above terms and conditions shall constitute a contract between buyer and seller of each animal.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

1-800-422-2117

We have made preparations to bid and buy your Red Angus Cattle through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" and bid online. Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases will be contacted by Superior Productions after the sale to settle payment and discover your shipping plans.

We calved a handful of his daughters this year, and they have done very well. They all calved to AI service and calved unassisted. They are deep bodied, with beautiful udders and are easy keeping. His sons perform near the top of their group with moderate frame. If you are looking for extra performance with moderate frame, take a look at his progeny. We sold X44 in 2011 and bought him back in Nov. 2013.

Fed Flikk Mulberry X648 sold through our sale in 2011. He is the thickest Mulberry son we have seen and he breeds it. His sons in the sale are a bit younger, but have really come on the last month or so. His dam is a powerful cow with lots of body and fleshing ability. We sold the pick of our 2012 heifer calves in the Big Sky Elite cow sale and one of his daughters was picked by Mark Moxley.

• What a bull to start the sale. Grand Design has lived up to his name coming in as one of the top bulls in the offering. He is one of the best Conquest sons I've seen with incredible length of spine and extra thickness. He has loads of calving ease with a 79 lb BW, 14 CED (1%), -4.3 BW (9%), Marbling 4%. He has a 14.7 REA with a 117 ratio. He does not give up any growth with over 830 lb 205 (104 WR) and a 1361 YW (110 YR). I can't say enough good about these Conquest cattle. The bulls have been extremely consistent and solid, while the females are making some of the best cows in the breed. Dam C-T Verdi 1142 is a beautiful Hobo Design cow going back to the famous Glacier Chateau. Starting out the sale can be a tough place to be, don't miss this great herd bull with calving ease. • Eagle A202 is one of the most powerful bulls that we have raised. We feed a high roughage ration and don't get many bulls near 1400 yearling weights. He is an ET bull so has no ratios, except for carcass- IMF 114, REA 102. His dam is 310, Big Sky's dam & dam of Feddes Big Horn Z150 (our second high seller in 2013 sale to Barentsen/Bullinger). He has a gain ratio (GR) of 123.3 Flush brothers sell as lot 10 & 45. These three brothers average GR is 122. Dam's MPPA 107.9

YEARLING RED ANGUS HEIFERS

FEDDES RED ANGUS NAMED BREEDER OF THE YEAR

Ryan Ludvigson presented the award to Carol and Chuck Feddes.

Reprinted from the Red Angus Association of America.

Manhattan, Mont.,-area Red Angus breeders Chuck and Carol Feddes, Feddes Red Angus, were named the Red Angus Association of America's (RAAA) Breeder of the Year during the 60th Red Angus National Convention in Lewistown, Mont., last fall.

The Breeder of the Year award recognizes RAAA members who have contributed to and maintained an excellent standard of quality in breeding Red Angus cattle in their herds over the years. To be considered, a member must have enhanced his or her Red Angus herd through quality breeding and preserved the Red Angus image throughout his or her many years in the cattle business.

"Chuck and Carol have done all that and more," said fellow Red Angus producer Ryan Ludvigson of Billings, Mont., who presented the award during the convention. "For the past 21 years, the Feddes family has done an excellent job producing maternal genetics that are well-known throughout the Red Angus breed."

Chuck and Carol began raising Red Angus cattle in 1992, building upon the firm reputation their family had established in the Hereford business. According to Chuck, the family appreciated the Red Angus females and Red Angus breeders' commitment to commercial cattle producers.

That commitment to commercial producers is an area in which Feddes Red Angus excels, according to their peers. Neighbor, Red Angus breeder and RAAA Director Bob Morton of Three Forks, Mont., said Feddes is very "in-tune" with what is going on in the commercial world and works to provide Red Angus cattle that thrive for commercial producers. "He is very interested in taking care of the ranchers who are out there feeding the world," said Morton.

"Chuck is steadfast in his belief that raising a quality female is integral to raising a good bull. His whole herd is full of strong females with good udders, feet and legs," said Morton.

According to Morton, the Breeder of the Year Award is reserved for individuals who exemplify what the Red Angus breed is all about. Sometimes the recipient is someone who has moved the breed forward through powerful bulls made accessible through A.I. studs; sometimes it is given to individuals who have contributed a lot of time or talent to the Association itself. In most years, it is given to people who are "flat-out good breeders and role models for our breed," Morton said. "This is where Chuck and Carol shine," he continued. "They have helped numerous young people get started in the breed and are very Red Angus focused."

"Being named the 2013 Red Angus Breeders of the Year is extremely humbling," Chuck said. "This is an exceptional breed of cattle backed by ex-

ceptional people. We are thankful for the relationships that we have developed in the Red Angus breed."

"We want to thank all of our fellow Red Angus Breeders for presenting us with this award," said Chuck. "It is amazing to us how the Red Angus breed feels like a big family and how everyone cares for each other. We have seen this personally over the last several years, and we thank all of you for your love and support during some very difficult times."

"It is only because of God's faithfulness to us that we are even capable of being in the Red Angus breed. We give our Lord and Savior, Jesus Christ, praise and thanks for allowing us to be His servants in caring for this ranch, and for giving us the strength, courage and wisdom to carry out this task. Our journey has taken many winding roads and God always seems to give more grace when the burdens grow greater," he added.

"We are committed to raising the best Red Angus cattle we know how as we continue to walk the path God has laid before us."

Thank you to our friends and customers for your support!
