Chester is just a May but has a world of potential. He is sired by the EZ Champ bull whose sire and dam were both National Champions in 2006. He has plenty of size and style to work in a percentage herd or for the commercial breeder.

Arthur is a young purebred bull calf that could go either way. With Update, Machine and Commander Bligh in his lineage, he could grow into a great breeding bull or, like his full brother last year, the Grand Champion Purebred Lowline Steer at the 2013 NAILE.
