# Terry L. Robinson

The North Dakota  
Red Angus Association  
dedicates this edition of  
their membership directory  
to the memory of  
Terry L. Robinson.

You were an advisor,  
a marketer, a mentor  
and a friend.

Thank you for your  
contributions to the  
livestock industry and the  
Red Angus breed.

We will  
miss you, TR.

*Leland Red Angus ... Producing seedstock for cowmen who know what they want.*

They say, "We want cattle that calve easy and grow because we get paid for pounds and quality. Your bulls have really made a difference!" We continue to breed for genetics that have a little extra gas to grow and gain without running out of bounds for calving ease and efficiency.

**These sires can make it happen!**

## **BLOODLINES BRED FOR ...**

**functionality, longevity and growth with  
credentials and experience to back it up!**

Our reputation depends on how our cattle perform. Customer satisfaction is No. 1 with us – we know our customers and our customers know us. Our family has been raising Red Angus since 1961. We strive to produce stout, long-made, heavy-muscled cattle while maintaining efficient, productive females with sound feet and udders. Our herd is strictly culled for these valuable traits.

# Triple M Ranch

... bringing honesty and integrity to the plate. We only raise 100% registered Red Angus on our ranch.

Triple M Ranch takes pride in our bulls and heifers by not over feeding them when they're young. We Do Not Push our animals on feed. Animal Longevity is a key in the bull business! Triple M Ranch will not sell you a bull that we would not want to have in our pasture. When you purchase a bull from Triple M Ranch, you will get the utmost Honesty and Integrity in breeding and EPDs.

.....  
**Don't Miss Our Annual  
Production Sale**

Our annual sale offers Red Angus bulls and Red Angus heifers produced from our registered cowherd.

“We’ve used the product for seven years and we’ve seen an improvement in the efficiency of our bulls. Our area has significant molybdenum, which ties up the phosphorus, zinc and copper. Amaferm seems to correct this problem, reducing fall lameness. They eat it heartily—it’s doing the job.”

- Melvin Leland

WHETHER YOU ARE LOOKING TO DECREASE TO THE AMOUNT OF FORAGE YOU USE IN A YEAR, IMPROVE THE REPRODUCTIVE HEALTH OF YOUR HERD OR INCREASE THE PERFORMANCE OF YOUR CALVES THERE IS A VITAFERM® PRODUCT FOR YOU.

Napoleon Livestock is located in the heart of North Dakota cattle country, selling 100,000 fancy northern cattle yearly. With a new sales pavilion built in 2009, it is the area's most modern, up-to-date and technologically advanced marketing agency. We are the only livestock barn in North Dakota that offers buyers throughout the U.S. the convenience not only to view our sale live but to bid and buy livestock from their home or office computers. We also offer direct marketing of cattle with internet sales.

Napoleon Livestock is a family-owned business for over 30 years. It is a reputable marketing agency that prides itself on honesty and integrity. If you have cattle to sell or are looking for a reliable source for ranch-fresh northern cattle, give us a call. We would like to visit with you.

My  
boots  
aren't  
polished.

In fact, my work boots are downright dirty! That's because my family ranches for a living and I understand the cow business all the way from newborn calves to serving my family high-quality beef.

With over 25 years of promoting livestock, I realize the importance of creating and portraying a positive and innovative image for your ranch and the beef industry.

My boots might be a little scuffed, but my designs are polished!

Confidence –  
in the program, the cattle and the genetics.

Confidence you can take to the bank!

## Confidence in these sires:

**Koester Chivas 005 – #1415933**

Our 2012 \$28,000-bull that is siring calves exactly like his phenotype with length, style and an expressive muscle pattern. His daughters are promising to be outstanding!

**Brown 3K Stakeholder X7870 – #1379607**

Stakeholder has a phenomenal EPD data set and is siring cattle that are born easy, have tremendous length, rib shape, big tops and overall balance. His sons will be well-received.

**Leland Right Gun 292X – #1380789**

We purchased Right Gun from Lelands for his power and dimension. He is an easy-fleshing, very powerful-made, moderate bull. His calves show tremendous volume and hip shape. They will be popular on sale day.

*Selling  
18-month-old bulls  
in conjunction with...*

**Leland Red Angus**

**March 14, 2014 • March 13, 2015**

At the Ranch • Sidney, MT • 160 Bulls • 50 Heifers

# Restocking Rule #1:

## Create a Drought Defense.

When drought returns (like it always does), be prepared by making good decisions now.

Red Angus won't bring rain, but they alleviate some of the pain.

- Improved Heat Tolerance
- Reduced Cow Maintenance Costs
- Easy fleshing
- Improved Stocking Rates
- Higher Pregnancy Rates
- Longer Productive Lifespan
- Easy Calving
- Docile Disposition
- Unbiased, Reliable Multi-Breed EPDs

Ranch Tested. Rancher Trusted.

GENETIC RESOURCES

# Quality Genetics Built on a Heritage of Commitment.

We have developed our genetics – both red and black – over the years by using bloodlines that fit our environment and produce both bulls and females that earn their keep.

We are stringent in selecting for sound structure, correct feet and legs, and superior udders – traits that are essential for our cowherd to function and survive in our rough terrain.

We recognize performance is essential for profitability in the sale barn, feedlot and on the rail. Our commitment to efficiency, gainability, quality and yield is substantiated by carcass data from our own commercial herd as well as that of our customers'.

Our dedication to producing quality performance cattle is a continuing commitment to our customers ... and our heritage.
