Ranch Horse Competition
for 2014 Sale Horses

Saturday, August 9,
noon MDT.

"Every one the using kind!"

WELCOME

The Sperry Family: Robert, Tamra, Kanon, Kolby, Marcia, Reese, Rylan and Russell Sperry

The Sperry Ranch welcomes you to our 11th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 4. They come from lines including Docs Oak, Play Gun and Young Gun. The other foals offered in the sale come from Robert's Aunt Ginger and Uncle Gary DeCock. They are out of Millie N Docs Oak and Badlands Oak Bush. We are partners with DeCocks on this home-raised stallion. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeo White Feathers. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

Robert Sperry and Mike Uetz

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 12, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is “Badlands,” which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions’ bloodlines so you will be able to quickly identify your foal’s background: “Oak” for Millie N Docs Oak, “Gun” for Gun Too and “Gringo” for Gringo Pistolero.

The last names come from a system that has been in the family for over 50 years. Marcia’s mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an “A.”

We’ve used Claribel’s method over the years and we are now working on an “F” year. That’s why all our foals this year have a third name that begins with an “F.” Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

▶▶▶▶▶ ROPING AND GOAT TYING CLINIC ▶▶▶▶▶

For the past seven years, Robert Sperry and Kayla Nelson have co-hosted a roping and goat tying clinic the end of May to help young cowboys and cowgirls learn proper techniques. Over two dozen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

I have ridden this horse a lot of miles and roped a lot on him. I love him to death. He is ticklish around the front cinch but is good as gold. The boss' kind of horse.

Milk Shake is broke, responds to rein and leg pressure, lopes collected circles or will move out when asked. An extremely fancy heel/head horse combo – does it all and the way one should. Willing and is making a good breakaway/calf horse and would make a top-end barrel horse tomorrow! Has been shown and won several ranch versatility competitions, will watch a cow, has a lead change and can drag his tail when he stops. He will ride out alone respectfully when working ranch duties, and walk home. Crosses creeks, mud bogs, ponds, bridges and down timber with ease. Can open and close wire gates on him, ride him bareback and so much more. He gets along with other horses, stands quietly when tied, trailers, saddles, shoes, and bathes well. For more information and videos please visit www.TurnerPerformanceHorses.com or call us. We welcome you to come and ride him at our ranch. Sound and has no vices.

A big, beautiful black gelding. He heads steers with the best of them, pinning his ears at cattle. Magic is a top-notch ranch horse with a really fast walk. He is great to rope calves on in the branding pen. Callie drug calves to the fire at the Mosser Ranch this spring. I used him on the Gorrell ranch. Inexperienced riders have gotten along great

with Magic. Last fall he was ridden to gather our pairs out in Carletts in some pretty rough country. He goes down steep cow trails and does it with a lot of class. He is a fancy type of horse.

He is the real deal to breakaway and heel on, the kids' flag race, ranch on, drag calves to the fire or just trail ride. He's gentle enough for kids to gather cattle on and take to the arena to have fun running the flag race. He has plenty of cow and his parents are money winners. I rode him at the Leland Red Angus ranch to sort pairs and he will cut a cow. Just a really good family horse. Whoever buys him won't sell him. I promise he is that good at what he does. Having raised Cajun from a weanling, we are proud to offer him for sale as a true test of our program. Born and bred in Montana and having spent winters in Arizona, he has been hauled all over and seen the sights. Whether you like to trail or ranch ride, team rope, cut, barrel race or just enjoy a beautiful horse, Cajun is for you. Hop on him bareback and ride off into the sunset. Hauled and won on at the 2013 Wrangler Team Roping Finals with Paje aboard. Also, been hauled as a heel horse although he stands 16.3 H, and has been tied onto. Cajun is broke, carries his head where is should be, has a good neck rein, moves off your leg all with respect. Outside on the ranch he has been ridden extensively along with packed in the mountains. He is very smooth to ride and sure footed, knows where his feet are in rough terrain. Rides away from the barn and alone fine, crosses all types of water – rivers, creeks, ponds, ditches – and good with bridges, tarps and slickers. Will stand quietly to mount either from a block or the fence, also will lower his head to bridle. He will stand tied all day quietly, gets along well with other horses, hauls, clips and is good with his feet. He is sound and has zero vices. For more information and videos please visit www.TurnerPerformanceHorses.com or call us. Videos available at http://youtu.be/kW_KL6Gii90 and <http://youtu.be/OPeWRwbB1IQ>. We welcome you to come and ride him at our ranch.

He is roan just like his brothers – they all have been good. Champ is a full brother to our ranch-raised stallion, Badlands Oak Bush (Bob), which is a great-minded horse. Everyone wants to ride Bob out in Montana at my aunt and uncle's ranch – who are co-owners with us on Bob. Champ is gentle, has been ridden outside and will make a good horse. Mike has been swinging a rope on him and drags logs. He is ready for the fall gather.

Yeller could double for Mr. Ed. He has faultless conformation and talent galore. A real ranch using-type gelding. He has worked all phases on the ranch and in the feedlot. He will watch a cow, has grit and is strong from the horn. Can work wire gates and he will stand all day while you latch it. Rides across bridges, creeks, mud bogs and down timber with ease. Will ride off alone and walk home. He has an easy neck rein, and moves off leg pressure, knows his leads and has a lead change. A cool head horse that can take runs all day long. Been hauled and won on at ropings and jackpots. Scores like a rock, can run and will rate off, gets ahold of cattle and will face. Also, been heeled on and, for a big horse, he works really nice. Gets along well with other horses, stands tied, good to show, trailer and bath. Sound. For more information and videos please visit www.TurnerPerformanceHorses.com or call us. He travels good outside and is a very quiet and gentle-natured horse. This horse will watch a cow and is bred the very best. He was raised on the Pieper Ranch which is home to Playgun!! His sire, Nitas Wood, needs no introduction and his dam, Bowmans Fancy Lena, is a NCHA-money earner herself of \$12,252 and placed in the top 10 in Forth Worth in the NCHA Open Futurity. His second dam, Bowmans Fancy, is winner of \$257,000 and has produced just shy of \$500,000. This is a royally bred young horse with a bright future. He'll make a great ranch or rope horse.

Glo Baby Star

Baytown is gentle and has been ranched on. He has doctored cattle and has a great look to him as he moves. We have been roping on him and Callie rides him all over and runs the flag race on him. He's double bred Sugar Bars on the top side and goes back to First Down Dash on the bottom, which lets him have a little speed.

A tailor-made 15 H black horse that is very fancy looking – not a white hair on him. He has been ridden in the open country with lots of checking yearlings this summer. We hauled him to several brandings this spring. This horse has all the potential in the world to make a top-notch rope horse or a great ranch gelding. Don't miss this great horse.

SNITCH

2000 Blue Roan Gelding

Snitch is a very nice, gentle 4-year-old blue roan gelding. My 12-year-old son has been riding him all summer. Snitch has been hauled to the Badlands, rounded up cattle and has been started tracking cattle. He is used to saddle bags and hobbles. Clay has been tracking the roping dummy on him and the lead steer, and he has been swinging a rope on him. Snitch is out of my brother's stud who is an own son of Catalina Boy. He is a very nice gelding and ready for whatever job you have for him. He trims, hauls and loads great. Guaranteed sound. Please call with any questions.

Win Some Cash Norm is an experienced tie-down roping gelding that can take you to the pay window. A grandson of the great Dash for Cash, he's got the speed and agility bred in him. He's quiet in the box, quick starts and hard stops. He can get you to that calf in record time. At 17 going on 10 he looks and acts years younger. Norm has taken Robert to several wins and titles. He is a sweetheart on the ground, all business in the saddle. No buck, a lot of go, muscled up and ready to roll.

His name says it all – Goodn – and not just any horse comes by this handle. He is the most honest gelding. He does what is asked and doesn't ask questions. A safe and easy-to-rope-on head horse, works for lower numbers and steps up his game for higher. We have heeled on him also. He works well and can really take a jerk. He knows his leads and will lope off nice and collected, has a roll back and a lead change. He does not require a mechanic to ride him and can stand prosperity. On a hot day, Paje hops on him bareback in a halter and takes him for swims in the pond. He has a solid neck rein, moves off of leg pressure and stops when you sit deep. Will open and close wire gates and stand all day while your latching it. Has a smooth ground-covering gait when working on the ranch, and will ride off alone and walk home. On the trails, he is good to ride with other horses or single, good with all water crossings, bridges, down timber and rocks. A reliable and drop-dead gorgeous gelding. We have enjoyed Goodn' and know you will also. For more information and videos please visit www.TurnerPerformanceHorses.com or call us. We welcome you to come and ride him at our ranch. Sound and has no vices.

Fuzz is cute, cute, cute and absolutely the friendliest. A horse that loves attention and will catch you when you walk out with a halter. He is a top-end heel horse and has also been headed on. He will make a breakaway, calf or barrel horse. He has all the goods, scores, can run, has a good stride, rates off, always makes the corner, lets you see the steer and stops square. Horses like Fuzz are few and far between – he is super talented. He has been shown and has won ranch versatility competitions. A fun horse who really has a work ethic, loves cattle and a job. Fuzz has a good neck rein and will move with leg pressure, has a soft, collected lope and a lead change and can stop hard and square. Outside he is smooth gaited and is a point-and-go type of horse. Will cross water, bridges and creeks. Has been used to gather cattle outside and enjoys it. He will stand tied all day, is good with other horses and good to bathe, shoe, saddle and trailer. Yates is a 6-year-old gelding that stands 15.2 H and weighs 1,200 lbs. I have used Yates the last two branding seasons dragging calves to the fire. I have used him to gather and ride in heats during A.I. season. Paul Griemsmann put 60 days heading training on him this spring and I am using him this summer. He is easy to catch and always seems to find my 10-month-old daughter when we are out with the horses – he just loves people. He is a smooth mover and will make a nice ranch horse for someone who also likes to team rope a little.

This is a nice 5-year-old, steel gray gelding. This one is bred to run, yet has a very sensible mind. Well started in heading and heeling. Roped all winter in Arizona. Would be a nice barrel prospect. Moves well and, whatever direction you go with him, it will be easy for him.

This nice bay horse has made a lot of progress this summer. Colton Vega rode him in the Junior Horse in the Ranch Horse competition in Hardin. He is the colt of this old mare that produced a lot of real nice horses. He should stay gentle for you.

This pretty, cool-colored, stout red roan mare cinches deep. What a looker. Her mother is pretty and has raised some outstanding ones. You can swing a rope on her and she has drug logs. Card has been started Mike Smith of Sundown Stables.

Gentle, kind and very personable. Einstein has a nice handle and is one of my main mounts to gather my cattle out in Eagle Draw. We have drug calves on him. This is a great young horse and will be one of the good ones. If you want a heel, breakaway, flag race, goat horse – this is the one for you. You take this guy home and I guarantee he will not be for sale again.

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Sebastian Bonolokke and Taylor Fleming, Louis Hutzenbiler, Callie and Catie Loftsgard, Kaylee Obrigewitch and Todd & Carla Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,
*The Sperry

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded nine \$500 individual scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2014.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past four years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale in Medora, N.D., where they raised funds for the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

This year, the Sperry family awarded two of the nine scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for “Team Cinch” in 2012-13 by

being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships will be awarded annually to three boys and three girls, and three to either. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses’ website, www.sperryhorses.com.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions and memorials will ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry for more information.

Thank you,
