Can't make the sale?

We are pleased to bring you real-time Internet bidding and a live broadcast of this sale through DVAuction. To watch or bid online, simply complete the following steps:

- Visit the DVAuction web site at www.dvauction.com
- Click on the "Creat New Account" tab
- Enter a user name, password and your contact information.
- Complete the Banking Information. (If you are only interested in viewing you can skip this section)
- Select your Time Zone, Accept the Terms and Conditions and click "Create Account"
- Complete the process by answering a few questions, selecting your subscription choices
- Click on "Apply for Bidding" in the upper left corner of your screen to select the sales you wish to bid on
- Be sure to include a personal contact at your bank, we will contact them in order to get a credit reference.
- If you would prefer to be approved using your credit card, call (402) 316-5460.
- Please be sure to apply for bidding at least a day in advance of the sale-every effort will be made to process your application in a timely manner.

DVAuction will contact you once you have been approved to bid. We do not provide buyer numbers until you have purchased a lot in the sale, and that number is only usable for that auction. After the sale contact the sale owner or manager to make arrangements for payment and delivery of your online purchases.

Please Note: High speed Internet access (DSL, T-1, or Broadband) is required to be able to bid successfully during the sale. If you have any questions, please contact DVAuction at (402) 316-5460 or email support@dvauction.com.

Proxy Bidding: If you can't access a computer during the sale, you can now place a "proxy bid" through DVAuction. Simply follow the instructions listed above, and as the sale date nears there will be a "Proxy Bidding" link under the sale listing on the main page of DVAuction. You can then place the maximum amount that you'd like to bid, and our system will represent your bid just as if you were there.

HOW TO PARTICIPATE ON THE PHONE OR ONLINE

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com.

You can also mail it in to the address provided on the form. Upon receipt of this information, Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying! **PLEASE NOTE THAT HIGH SPEED INTERNET IS REQUIRED – THIS IS NOT FOR DIAL-UP OR SATELLITE INTERNET.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the outlined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 232 (RURAL-TV). *Please note that there is a short delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* The sale will also be broadcast live on the internet at www.superiorlivestock.com – just go to the home page and select the auction. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid." Your computer must have Flash Media Player installed to view the auction. If you have questions, please call the Superior Productions office at 800-431-4452.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The person in charge will settle any disputes as to bids, and his decision on such matters shall be final.
3. Any announcement from the seller on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes buyer's risk as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser, until loaded for shipment or until the expiration of December 20th of the current year.
6. All claims for adjustment for bred females must be made before May 1st of the following year. All claims for adjustment for heifer calves must be made by September 1st of the following year.
7. Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
8. Delivery costs and scheduling shall be the sole responsibility of the buyer.
9. A certificate of registry and transfer shall be furnished for each registered bred female sold at a final bid price of \$1,200 or higher. A certificate of registry and transfer shall be furnished for each registered heifer calf sold at a final bid price of \$900 or higher. If final bid price is less than either of these amounts the cattle will be considered commercial. Certificates of registry may be purchased for the difference.
10. The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

**These cattle do sell in accordance with the Sale Terms and Conditions
 set forth by the Red Angus Association of America.**

Achieve it!

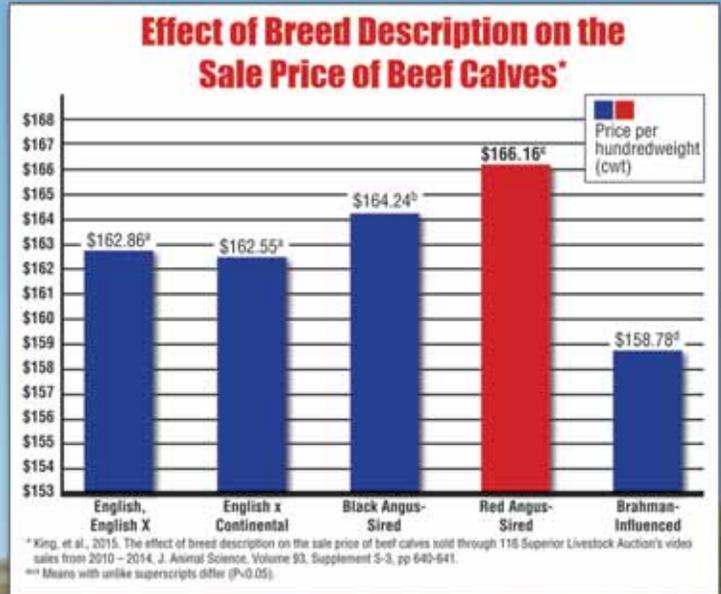

RETURN ON INVESTMENT

Red Angus genetics will improve your return on investment!

"For 10 to 15 years all the buyers ever talked about was black calves, and the black calves always brought more than everything else. Now I can honestly say that good Red Angus calves outsell the black calves and I know the Red Angus bred heifers will outsell black Angus bred heifers of equal quality every day."

— Jim Davis, Superior Livestock Auction

Independent research shows Red Angus-sired calves sold for a higher price than all other breed groups. Red Angus bulls make a positive difference in your breeding program's bottom line.

Welcome to the Big Sky Elite Female Sale!

The excitement of Red Angus cattle continues to dominate both the commercial and registered beef industry. With record-setting bull sales in 2015 and a much anticipated spring 2016 season, the Red Angus Association of America is the fastest growing beef breed on the scene today. Commercial Red Angus females continue to dominate nearly all cattle markets including Superior Livestock Auctions where Red Angus commercial heifers have been documented to out sell any other breed by \$7 per hundred weight for the past four years. Isn't it time you put Red Angus genetics into your program?

The Big Sky Elite Female Sale is one of the most anticipated sales of the year with four of Montana's top breeders combining forces to offer unparalleled Red Angus genetics anywhere on the North American continent. If you are hunting some of the breed's top females do not miss this auction at the new Green Mountain Sale Facility. Whether you are adding to an existing seedstock program or just getting started, cattle from the Big Sky Elite Female Sale could lay the building blocks to a future top-quality program.

In mid-October I toured all four of these impressive herds and believe this offering to be the best yet. All four of these producers have highly acclaimed and well-respected bull sales annually and the females in this offering represent the dams and sisters to many of these top bulls. The selection criteria for this sale are the later calving cows (i.e. those that fall out of their calving windows) which make many of their top cows being offered. Wouldn't you like the opportunity to purchase some of the top cows from these elite four Red Angus breeders?

If you are unable to attend the sale, please tune in via DV Auction or Superior Auctions and bid online. I will be going through the cattle again on Tuesday, December 1, and will be available to discuss any questions you may have. If you can attend the auction, I look forward to seeing you in Three Forks, Montana. Either way, get ready to buy some of the best Red Angus females to sell in 2015.

Best Regards,
Kyle Gilchrist

Get off 1-90 at the Logan Exit, #283. Go north and take a left on the frontage road. Proceed west toward Three Forks, about 1/2 mile. Take a right onto Logan Trident Road, heading north. The road immediately crosses the Gallatin River and the railroad tracks, as shown on the map. Green Mountain Red Angus is 2 miles from the railroad tracks. Watch for the large Green Mountain Red Angus sign.

Bred to: OPEN

This outstanding female has put in a lot of years at GMRA and has quite a few accomplishments under her belt. She has an MPPA of 101.8 on 10 calves with an average WR of 102 on 11 and an average YR of 102 on 9. Her four bull calves have an average IMF ratio of 102 and an average REA ratio of 104. She has an impeccable maternal background with a lot of longevity in this cow family. Every female in this pedigree for at least four generations back has produced a minimum of 10 calves for GMRA, with MPPAs over 100 all the way up to 106.4. Nexa 235 produced GMRA Citadel 6109, who was the high seller in our 2007 bull sale, purchased by ABS. Her 2014 heifer calf went on to represent GMRA at the 2014 Prestigious Red Angus NILE Sale. She sold to Carson Summers and went on to win Grand Champion breeding at the Daniels County Fair. And take a look at the numbers! She is proven, old-school genetics that still give her nine EPDs in the top 48% of the breed or higher with four of those in the top 19%. Nexa 235 has all the experience she needs to be placed in an embryo program and produce many more outstanding progeny.

Bred to: GMRA STETSON 2240 (#1525314)

Due Date: 3/7/16

This Conquest daughter is at the top of her game. She has an MPPA of 107.3, which is in the top 5% of the GMRA herd. She posts an average WR of 110 on 4 and an average YR of 104 on 2, and has never had a calf ratio under 100 at either weaning or yearling. Her 2014 and 2015 heifer calves were both the second highest ratioing heifer calves in the GMRA herd. Her 2014 calf went on to represent GMRA at the NILE, selling to Majestic Meadows of Maryland, in the Prestigious Red Angus NILE Sale. All of this performance is wrapped up with a fantastic set of EPDs - 10 are in the top 39% of the breed or higher. Standouts are WW & YW in the top 3%.

2S has 11 traits in the top 13% of the breed. Very few 9-year-old cows can make that claim. She is the dam of Feddes Granite Z132, who topped the Feddes/C-T 2013 Bull Sale, selling to Rust Mountain View Ranch in North Dakota. She is the granddam of Feddes Oscar X28 who earned his way into the ABS sire lineup. She has good feet and legs and a near-perfect udder at 9 years old. Due Date: **RECHECK**

Feddes Lakina 87S is one of our elite donor cows. She has a near-perfect udder, feet and legs. We have used two of her sons in our herd, along with one outstanding daughter and two in our replacements. 87S, her dam and granddam are all moderate in frame with loads of capacity and productivity. 87S averaged 10 good embryos on three flushes.

MPPA 104.6, average ratios: WW 106, YW 107, IMF 101, REA 102.

Lot 9A

LSF Saga 1040Y

We implanted these embryos on Oct. 27, so we will know by sale time which ones are pregnant. They will be preg checked before the sale at 43 days. Saga has done a great job for several breeders with high-selling bulls and beautiful, productive females. Our first calf crop is just weaned. The bulls have lots of performance and the heifers are very feminine.

This Major League granddaughter has that extended spine that everybody is looking for. Her attractive conformation and beautiful udder most definitely compliment her. She has produced three bulls who posted a BR of 95 and then she cranked things up and posted ratios of 103 for weaning and 101 for yearling. She has a calving interval of 366 days (always on time). Take a look at her loaded pedigree sporting many of the well-known Bootjack herd greats: Make My Day, Jr 107, Rambo 502, MPPA: 102.

Here is a chance to take home an incredibly strong maternal package. Lakota 131 has an MPPA of 104. She is backed up by five generations of performance-minded females with MPPAs over 101 going back to the early 80s. She has an average W/R of 106 on 3 calves. She boasts a great birth-to-growth spread and it doesn't stop there - 12 EPDs are in the top 31% of the breed and 10 of those are in the top 23% or higher. Lots of potential in this stout, young dam.

This Estonia female goes back to the great Estonia 9S-1210 and follows in the footsteps of a dam with an MPPA over 100 on 12 calves. Estonia 7102 is moderate in frame with a beautiful udder with excellent teat size and placement. She has an MPPA of 103.3 with an average WR of 104 on 7 and an average YR of 103 on 5. Backing up the strength of the cow family is the fact that every one of her heifer calves has been retained in the herd. She has seven trails in the top 20% of the breed or higher and these are all the numbers relevant to a cow's productivity and longevity, with an HB index in the top 8%, ME in the top 5% and a Milk in the top 1%.

This Trilogy daughter is the kind of female we breed for. She is very strong and stout made, and is out of an outstanding Citadel dam with tons of performance. Mesa Maid 489 posted a personal 110 WR and a 111 YR. Her dam has an MPPA of 107.3 with an average WR of 107.3 and an average YR of 111 on 2. Her granddam has a 109.4 MPPA with an average WR and average YR on 8 of 111 and 109, respectively. 489's maternal sib was featured as Lot 2 in the 2014 GMRA Bull Sale. All of this high-end performance is topped off by eight EPDs in the top 32% of the breed or higher with WW, YW, and CW in the top 1%.

From an EPD standpoint, this heifer is really difficult to match. She has 12 traits in the top 26% of the breed. We strive to balance traits and she certainly does that extremely well. Her dam has a full sister in 2015 that is equally impressive. This cherry red heifer is very impressive in phenotype as well as genotype. This is a powerful cow family going back to 847 (a Big Sky daughter) and 4225 who is one of our all-time elite females. B20 is bred to Silver Bow – think about that genetic possibility. She is Category 2 because of DQ white.

She could be my favorite Blockana to date. She is the dam of C-T Red Quest 4010, the high-selling bull in 2015 and now leased to Accelerated Genetics. The sire, C-T DKK Duke 1100, has been a very powerful bull leaving some nice females and explosive growth in his calves. This deep-made Lakota dam has a prestigious lineage going back to the great foundation female, GMRA Lakota 912. She is also a maternal sib to GMRA Lakota 341, dam to ABS's GMRA Laramie 5110, who was the eight most-used bull in the Red Angus breed in 2009. All of Lakota 744's heifer calves have been retained in the herd and she posts an MPPA of 100. Her 2015 calf turned in a WR of 108. Here is a great chance to purchase some influential genetics still relevant in today's marketplace.

Due Date: 4/9/16

This young Packer daughter is off to an incredible start. Her first calf posted a WR of 121, giving her an MPPA of 108.4. Her granddam is GMRA Lakota 625, the dam of Accelerated Genetics' Trilogy and Make It Easy. Twelve of her 16 EPDs rank in the top 35% or higher. She is just a really complete package with a ton of potential.

This young female from the Lakota cow family is already showing her potential. She is very heavily muscled and in top condition after weaning a high-performance calf. Her first calf turned in a 116 WR, giving her an MPPA of 106.4. She is the daughter of Lot 53 who is a maternal sib to the dam of ABS's GMRA Laramie 5110. There is lots of power in the cow family that is backed up by the impressive performance and powerful numbers of the Justice sire line. Eight of her EPDs are in the top 36% of the breed or higher.

We are so glad we added Roosevelt into our sire line-up, and this female is a perfect example of why. Her personal performance was outstanding, with a 110 WR and a 109 YR. Her dam is in the top 10 MPPA cows in the GMRA herd. She looks to be following in these high-performance footsteps. Her first calf had a nice, moderate 75-lb. birth weight that was turned into a 105 WR. Nine EPDs are in the top 25% or are just the cherry on top.

This Justice daughter is deep chested and stout with a good rear quarter. Her maternal granddam is the dam of GMRA Stetson 2240, who was the high-seller in the GMRA 2013 Bull Sale, selling to Accelerated Genetics. There is a lot of maternal performance in her pedigree. She tops that off with a breed-leading set of numbers. All of her EPDs except three are in the top 37% of the breed, 10 are in the top 17% or higher and seven are in the single digits. HB, HPG, CEM and Stay are all in the top 1%.

Bred to: FEDDES BOBCAT A230 (#1607674) Due Date: 4/5/16

Here's a chance to take home some old school Hobo genetics. The Hobo 79E females have always been some of our favorites and this one is a daughter of foundation female, GMRA Lakota 527, who posted an MPPA of 108.5. Lakota 822 is a deep cherry red. She has a big square hip with tons of capacity with depth that carries through the flank.

7150 is a Big Sky daughter with good feet, leg structure, a beautiful udder, is clean fronted with loads of heart girth. 7150 has three daughters in our herd and we would like more! Conrad was a high-selling bull in our 2014 sale to Bar Open A in Idaho. He is a maternal brother to Feddes Silver Bow B226. His dam has an MPPA 111.7. Look him up: HB 5%, GM 19%, CED 7%, WW 7%, YW 7%, HPG 2%, ST 15%.

Recip Z88 is a registered 3-year-old cow (#1516297). If the buyer would like to transfer the papers on the registered recip cow it will cost \$100.

9130 has four daughters in our herd and two more in the replacement pen. They are hard-working females with really good feet, leg structure and udders, and are highly productive. A daughter was a NILE pick in 2013. Shooter is a bull used by Piepers in Nebraska, and Sandy Willow Red Angus in S.D. We only have a few calves this year by him, but really like them.

Recip (1015) is a commercial cow.
