4051 – If you like power and red, then look no further. This Code Red calf is big topped, square hiped, with loads of middle.

4032 – This bull is moderate-framed, correct in his structure, with good feet and legs, and plenty of muscle. His dam's pedigree is backed by Three Trees Wind 0383ET and LT Wyoming Wind 4020 Pld that have produced many champions.

4068 – We sure like the Tenacious cattle. They are able to combine performance and eye appeal in one great package. 4068 will certainly add pounds and style to a set of calves. Don't miss out.

4013 – Calving ease, soundness, muscle and milk all in one package. The bull would be a great heifer bull.
