# WELCOME

The Sperry Family (L to R): Marcia, Kolby, Kanon, Robert and Tamra Sperry

The Sperry Ranch welcomes you to our 12th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of the stallions featured on pages 2 – 4. They come from lines including Docs Oak, Play Gun, Young Gun and Paddys Irish Whiskey. The other foals offered in the sale come from Robert's Aunt Ginger and Uncle Gary DeCock. They are out of Millie N Docs Oak and Badlands Oak Bush. We are partners with DeCocks on this home-raised stallion. We are also offering foals from Enoch and Dixie Schaffer, Robert's cousin, that are out of Romeo White Feathers. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation to be the "using kind."

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the Badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

**Remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.**

Again this year, we have invited consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day! *The Sperry Family*

Robert Sperry and Mike Uetz

## ▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 11, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

# BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is “Badlands,” which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions’ bloodlines so you will be able to quickly identify your foal’s background: “Oak” for Millie N Docs Oak, “Gun” for Gun Too and “Gringo” for Gringo Pistolero.

The last names come from a system that has been in the family for over 50 years. Marcia’s mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an “A.”

We’ve used Claribel’s method over the years and we are now working on an “G” year. That’s why all our foals this year have a third name that begins with an “G.” Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

# ROPING AND GOAT TYING CLINIC

For the past eight years, Robert Sperry and Kayla Nelson have co-hosted a roping and goat tying clinic the end of May to help young cowboys and cowgirls learn proper techniques. Over two dozen kids participated in this year's two-day clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

*This is a gelding we have held back because we have just so enjoyed him. Babyface is a good-sized horse that stands almost 15.1 HH and has flawless conformation. He's the horse that you can go and catch out in the pasture and saddle every time with ease. We've nicknamed him "Happy Go Lucky." We have had so much success with the Playgun-bred horses and this one is no different. He's a very docile, talented athlete that lopes nice collected circles, knows his leads and has a lead change. He neck reins and moves all his body parts with leg pressure, and drags his tail every time he stops. He is a great candidate for the AQHA ranch versatility classes and ranch horse competitions. A fancy, fancy head & heel horse with score, run, really rates, and has the coolest move across the pen making it so easy to face. Heeling on him he makes the corner every time, lets you see feet, stops square and drags his tail like a wormy dog! Would make an all-around horse for the high school rodeos, have stepped off on*

Zandr is a 6-year-old heel/ breakaway horse ridden by Taylor Halloway. He's quick footed with a sharp mind, cowy and wants to please. He catches on very quickly. He is an easy-riding gelding that is ready to start being hauled in the breakaway roping and heeling.

## 10 CHAMP 2008 Buckskin Gelding Pony

This pony is 7 years old and any kid that can ride, can ride him. He'll go anywhere and do just about anything – walk, trot, lope and sliding stop. I've done a bunch of training on him. He'll side pass and ride around like a big horse. We've been everywhere on him. You can heel off of him – he'll put you right there and let you rope both live cattle and the Heel-O-Matic. He's a really nice pony that would make any family happy!

Dublin is a horse I'm really proud to offer for sale. I have had this horse around for awhile now. He is very well-mannered horse to be around and twice as broke. He really knows his way around the calving pens, sorting and pasture work. He's been roped off a bunch outside and in the pens, and I'm hoping to have him going in the arena by sale day. Whoever gets Dublin will love him as much as I do. Don't hesitate to call with any questions.

Doc is a very nice gelding to ride whether it be for work or enjoyment. He's a very personable and laid-back horse with a lot of respect – he is very broke. He moves off your leg with ease and has a soft neck rein. I've used him to gather and sort cattle and trail ridden him at almost all the state parks in Minnesota. You can ride alone or in a group – he rides the same every day. We've left him set for long periods of time and saddled him up and rode off like he'd been ridden every day. He has a very smooth lope and takes his correct leads. He's easy to bridle, loads great and loves to be around people. You can view videos at YouTube, search "Scooter Docs Oak."

*ChuckleNtruly will make you do just that! How could so much fun, talent and conformation be put into just one horse. A real using gelding – has sorted, gathered and doctored, slips on over to work gates, crosses water, bridges and logs with ease. He is making a big-time calf horse, will have tied down around 100 calves and more by sale time. So talented he is, as he is also showing so much promise in the team roping arena, BOTH heading and heeling. It doesn't matter what end we rope on him, he can take the pressure, stays quiet, runs and rates to where he should, and finishes each run right. When asked what event he excels at, I have to say all three. Not many his age are this accomplished. Plus, he's lightly started on the barrels and is quiet and can take pressure – he could be a big time barrel horse. He's a horse that is quiet whether in his stall or turned out to pasture with other horses. Sound. A one-horse trailer kinda guy.*

*Gentle, kind and willing. This horse is nice to ride, has been used to sort pairs and move cows. He will cover country, has been roped on and also runs barrels pretty nice. He's bred to do things! Use him on the ranch during the week and head to the arena on weekends. Call for more information.*

*I have owned Cody for five years. He is fun to track and rope from in the arena. He won a jackpot for me in working cowhorse competition. Last summer we competed in Cowboy Mounted Shooting and he does very well tolerating gunfire. My farrier said he has good feet and is easy to trim and shoe. Cody went to NDSU last year as part of their equine program. He was used for reining competitions at college equine events. I must sell him, though, according to my doctor, who recently repaired my aging and somewhat abused body (veterinarian, rancher).*

Besides being the most desired color in the business, he is a sought-after grandson of the great Wilywood. That being said is the reason he has it all— brains, talent and beauty. He's a steady head horse that will let you rope and work with you. He can take pressure, scores, can run, rate and handle cattle, strong from the horn and can face. Also, he's been heeled on. He's the horse the ranch foreman would want to ride. He has gathered and sorted thousands of cattle – a tried-and-true individual. Has carried flags at rodeos and parades. Hop on him bareback in a halter and head out for a day or fun! On the trails he will cross all obstacles, water, bridges and logs and has used a slicker. *This friendly filly is a lot like her mama who was a fun horse to ride and is a character. Gen And Tari is red roan and all Gringo's foals turn gray so this filly may be quite colorful. Robert roped on Gen And Tari and she really stopped hard.*

*Boone has a tail-dragging stop and moves off your leg and reins quickly and easily. He is willing to please and has the potential to be an all-around rodeo/performance horse. He is an excellent ranch horse. Boone is very athletic and learns quickly. He is a beautiful red dun with blonde mane and tail. This guy is a good calf and heel prospect and bred to be the best and has a great start.*

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Louis Hutzenbiler, Callie and Catie Loftsgard, Kaylee Obrigewitch and Todd & Carla Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,

# Bud Sperry

## “Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded nine \$500 individual scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2015.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past five years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale in Medora, N.D., where they raised funds for the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

This year, the Sperry family awarded two of the nine scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for “Team Cinch” in 2012-13 by

being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships will be awarded annually to three boys and three girls, and three to either. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, [www.ndhsra.org](http://www.ndhsra.org), and on Sperry Quarter Horses’ website, [www.sperryhorses.com](http://www.sperryhorses.com).
