Online Bidding:

Sale will be live online via Superior Livestock and DV Auction. See pages 4 and 5 for details.

Conference Call:

Conference call through Superior Livestock: 817-378-3334

Cattle Inspection:

We welcome your visits and would be happy to show the bulls as well as the cowherd. The bulls will be at Feddes Red Angus just 2.7 miles south of Manhattan.

View the full-color catalog online at www.FeddesRedAngus.com

Sale Order:

Cattle will sell in catalog order.

Herd Health:

Program include 8-Way, Express 5 PHM at branding and pre-weaning. We also use Ivermectin in the fall and again in January. Dr. Bruce Sorenson (406-388-6275) has done a complete breeding soundness exam on each bull. All the bulls selling in this sale are free of any known genetic defect.

Treated with Saber (lice treatment) in February. Heifers received Preg Guard Gold FP10 and Trivib 5L in February and bulls received Vira Shield in March.

Calving-Ease Recommendations:

*** Recommended for heifers and cows
** Recommended for large heifers and cows
* Recommended for cows only

Bull Ration:

Bulls are developed on a high-roughage, low mega-cal ration to show their genetic potential and to develop their reproductive longevity.

Heifer Ration:

10% straw, 45% silage, 45% chopped mixed hay

Transportation:

Bozeman is served by Delta and Continental Airlines at Gallatin Field, 1 mile east of Belgrade or 8 miles northwest of Bozeman. Jet service daily north, south, east and west.

Accommodations:

Welcome to our 2016 production sale!

Welcome to Feddes/C-T Red Angus annual sale. We first of all want to express our deep appreciation to all of our friends and customers for your support of our program. We are very blessed to be a part of the Red Angus breed. Superior Livestock's video auction have documented information that shows Red Angus influence steers outsell any other breed, and females will top the market consistently. This study covers 116 Superior video sales from 2010 to 2014, and most importantly done by an unbiased source.

If you want steers that top the market or replacement females that command top dollar, you better take a look at Red Angus. Red Association of America has recently become a partner of Top Dollar Angus where producers of high-value Red Angus and Angus cattle can qualify for premiums. A high percentage of the bulls in this offering quality their progeny for Top Dollar Angus premiums. We have a Top Dollar Angus symbol on each of the bulls whose progeny are potentially eligible for premiums.

We are using the most advanced technology, including DNA testing, carcass ultrasound, and a strict culling program to bring you the best genetics. Every profitable ranch starts with the cowherd that works in their environment. We put tremendous selection pressure on our cowherd to bring you a genetic package that is balanced and consistent. We breed for "BALANCED TRAIT SELECTION," and don't chase fads.

Videos will available around the second week of March.

We are very blessed to be able to do what we love, enjoying and caring for our cattle, and being good stewards of what our Lord has entrusted to us. And we are blessed to have so many friends in the cattle industry.

Once again we are busy being involved with our kids and grandkids. We see a lot of ball games, baseball, basketball, volleyball, 4-H events and are also involved in many church activities. Did I mention hunting? Jake has moved back and is getting involved in the ranch as well as being a Superior Livestock rep.

Above all we want to Thank our Lord & Savior Jesus for his indescribable gift.

Blessings from the Feddes and De Boer Families

Delivery Instructions _____

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes and his decision on such matters shall be final.
3. Any announcement from the block on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes the buyer's risk as soon as sold. Cattle will be cared for, for a reasonable length of time at the ranch, at the buyer's risk.
6. Retained Interest: All bulls will sell half interest and full possession. The buyer receives full possession and full salvage value. The seller has the right to collect semen at the buyer's convenience, and the seller's cost. If the buyer wishes to share in the collection costs and revenues, that is his/her choice.
7. Registered heifers selling for more than \$2,000 will sell with papers. Less than \$2,000 will be sold as commercial.
8. All bulls selling will be covered 50% if they are injured during their first breeding season. 50% of the value of the injured bull will be given as credit in a future Feddes/C-T sale toward a replacement animal. All injured bulls must be diagnosed by a veterinarian. Please notify us by September 15 should an injury occur prior to the injured bull being sold.
9. Everyone attending the sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
10. Free delivery to central points in Montana. \$100 will be deducted from each bull that the buyer takes home from the sale. We will help with arrangements on females. Heifers are delivered at cost. We will attempt to deliver bulls in early April.
11. A certificate of registry and transfer will be furnished for each animal sold as a registered animal after settlement has been made.
12. The above terms and conditions shall constitute a contract between buyer and seller of each animal.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

1-800-422-2117

We have made preparations to bid and buy your Red Angus Cattle through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" and bid online. Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases will be contacted by Superior Productions after the sale to settle payment and discover your shipping plans.

SELECT OUR BULLS WITH EVEN MORE CONFIDENCE

We believe in providing our customers with the most accurate information possible. DNA profiling has advanced to the point that when added to a bull's pedigree and his own, individual data, the reliability of his EPDs increases significantly. Therefore, to better serve our customers, all of the bulls in the sale have genomic-enhanced EPDs through DNA 50K testing.

The table below shows the estimated number of progeny the DNA information adds to the reliability of the EPDs. For the growth and carcass traits, the higher reliability is equivalent to almost a complete calf crop of steer calves. For a maternal trait like Stayability, it's equivalent to getting information on at least three to four heifer calf-crops.

The genomic-enhanced EPDs are made possible through a partnership between the Red Angus Association of America and GeneSeek. Bottom line: we've made the investment so you can buy bulls from Feddes/C-T Red Angus with the highest possible confidence.

| | CED | BW | WW | YW | MILK | STAY | MB | REA |

| EST. PROGENY: | 12 | 9 | 11 | 7 | 9 | 30 | 7 | 5 |

YEARLING WEIGHTS AND YW EPD

Due to the current backlog of data processing at the RAAA, the adjusted YWs were calculated using the RAAA AYW formula. There may be a slight difference between the numbers shown here and the actual data when processed by the RAAA.

TOP DOLLAR ANGUS CANDIDATES

Red Angus sires that have a GridMaster Index in the top 25% of the breed or higher meet Top Dollar Angus specifications. Look for the Top Dollar Angus designation on sale lots in this catalog!

Can't make the sale?

We are pleased to bring you real-time Internet bidding and a live broadcast of this sale through DV Auction. To watch or bid online, simply complete the following steps:

- 1) Visit the DVAuction web site at www.dvauction.com
- 2) Click on the "Register" tab
- 3) Enter a user name, password and your contact information.
- 4) Click on "Apply for Bidding."
 - Select the sale from the list of other auctions and click "Apply".
 - Complete the process by filling out the Banking & Lending information requested.
 - Be sure to include a personal contact at your bank, we will contact them in order to get a credit reference.
 - If you would prefer to be approved using your credit card, call (402) 316-5460.
 - Please be sure to apply for bidding at least a day in advance of the sale-every effort will be made to process your application in a timely manner.

DVAuction will contact you once you have been approved to bid. We do not provide buyer numbers until you have purchased a lot in the sale, and that number is only usable for that auction. After the sale contact the sale owner or manager to make arrangements for payment and delivery of your online purchases.

Please Note: High speed Internet access (DSL, T-1, or Broadband) is required to be able to bid successfully during the sale. If you have any questions, please contact DVAuction at (402) 316-5460 or (402) 474-5557 or email support@dvauction.com.

Proxy Bidding: If you can't access a computer during the sale, you can now place a "proxy bid" through DV Auction. Simply follow the instructions listed above, and as the sale date nears there will be a "Proxy Bidding" link under the sale listing on the main page of DV Auction. You can then place the maximum amount that you'd like to bid, and our system will represent your bid just as if you were there.

X28 sold in our 2011 sale. ABS purchased him after seeing two calf crops. His EPD profile improves with each calf crop. He is now in the top 6% HB, GM 6%, CED 5%, BW 15%. He covers all the bases, and is very balanced. His dam and grandam are two of our best donor cows that have walked our pastures.

We have several sons and grandsons of this well balanced, calving ease sire. He is leaving a mark on the breed!

TOP DOLLAR ANGUS®
Now adding value to both Angus and Red Angus feeder calves

Capture premiums by giving your calves the name recognition they deserve!

Should you consider Top Dollar Angus certification for your calves? Absolutely – YES!

If you've consistently invested in high-performing Angus or Red Angus genetics, we can make your calf crop stand out from the pack, and give you access to the Top Dollar Angus premium calf-buyer network, regardless of how you market your cattle (local auction, video, or direct trade). Our goal is to bring more demand to your doorstep.

Moving ahead in 2016, the beef cattle business offers both challenges and opportunities. Lower feeder calf prices underscore the need to capture value-added premiums. Every cow-calf producer with high-end genetics and a solid health program wants to sell their cattle above the average market price, which is exactly why Top Dollar Angus was created.

Red Angus sires that have a GridMaster Index in the top 25% of the breed or higher meet Top Dollar Angus specifications. Look for the Top Dollar Angus designation on sale lots in this catalog!

This new program is similar to Certified Angus Beef®, except that Top Dollar Angus does its "branding" in the feeder cattle and calf market. It works by certifying calf crops that meet program requirements on the farm or ranch, enabling these cattle to be marketed using the Top Dollar Angus brand name and logo. Top Dollar Angus feeder calves are eligible to receive a \$50 per head premium (sometimes more) over the average market when sold to partner feedyards. One group of Top Dollar Angus steers sold

recently via video auction for \$67 per head above the average market for their weight and location. Another group was forward-sold for a \$52 per head premium. Yet another single load of Montana steer calves beat the market by \$57 per head.

Why are so many profit-minded cattle feeders interested in purchasing Top Dollar Angus calves and yearlings? It's because these cattle perform very well both in the feedyard and on value-based grids. Top Dollar Angus cattle consistently deliver rapid growth and high quality grades. That puts extra dollars in cattle feeders' pockets, which are passed back to cow-calf producers in the form of premium prices.

*For more information, please contact Tom Brink at **303-478-4331** or email info@topdollarangus.com.*

Rainier is extremely balanced in all traits. He started with a 77 lb. birth weight, CED 15%, BW 14%, and shot out to a 111 weaning ratio, WW 8%, YW 7%. He is in the top 8% for HB & 3% for GM. Any bull that has top 25% for GM makes his calves candidates for the Top \$ Angus program and it's premiums. His dam is a cow that gets it done year after year, MPPA 103.4. Calving ease, big growth, maternal and carcass traits, this bull gets it done.

Big Red is a big-time herd bull with a unique pedigree (Redemption X Ole's Oscar). He is a big spread bull with a 71 lb BW to almost a 800 lb WW, 109 WR. He has a great phenotype with about as correct of structure as you could make on a Red Angus bull. Lots of length, with extra muscle and rib; all in a dark cherry red color. He has some interesting EPDs with BW and GM top 1%, HB 3%, carcass EPDs top 22% with a 111 REA ratio. These Redemption sons have very consistent birth and growth while the daughters are making great cows. Dam is a moderate-framed Ole's Oscar daughter who has been climbing her way to the top, producing our 2014 NILE pick of Bred Heifers (C-T Verdi 4020). MPPA 100.1. • *** Calving Ease

Stormtrooper is a bigger frame Redemption son that comes from a powerful and beautiful-made Feddes Big Sky daughter. We really focus on balanced trait selection & I believe there is as much balance in this set of bulls as you will find anywhere. This bull has 13 traits in the top 22%. He is a big-spread bull, with CED 9% to YW 3%. Add to that his GM 1%, 14" REA, and a powerful cow – he covers all the bases.

Red Gold is a "sure-shot" calving-ease prospect with 71 lb BW, 15 CED (top 2%), -3.9 BW (top 11%), HB top 1%, GM top 6%. Don't miss the most important economic EPD, Stay-ability in the top 1%. He carries himself beautifully in a moderate frame while packing extra muscle and lots of length. He has great performance with 102 WR and 728 lb WW, also 103 REA ratio. Dam stems from the maternal BUF CRK Marigold cow family and the great female-making Conquest bull. Marigold 3068 is a nice, moderate-framed, dark-red cow with a nice udder and teat size, and looks to be well on her way to following in her proven dam's L231 footsteps. Calving ease, growth and maternal – the whole package. Dam's MPPA 100.8.

Big Oscar is a bull that will catch your eye both in the pen and the book. He has a very impressive phenotype with lots of rib and length, and not giving up any style. Great performance with a 76 lb BW to a 787 lb WW and a 109 WR. Very balanced EPDs with 10 traits in the top 25%. Sire Feddes Oscar X28 is quickly making a name for himself, siring not only a strong set of bulls but also females that will make you turn your head. Dam is a moderate-framed cow with a great udder and plenty of performance. Dam's MPPA 103.4.

Flathead is a full brother to Feddes Silver Bow B226 who topped our 2015 sale to VF, Pitchfork T, Dunn's Double Eagle Ranch and Meyer Family. Flathead is a little lower BW than his brother, but still is HB 1%, GM 4%, CED 3%, BW 10%, YW 21%, HPG, ST 2% and MA 12%. His dam has produced three top bulls in her first three calves and now has a nice set of ET calves on the ground. Her MPPA is 111.3. He has a BR 98, WR 110, IMF ratio 104, REA ratio 101

Waubay C239 is a full brother to Feddes Cougar A210 that sold to Broken Heart Ranch in 2014. This bull is a dark cherry red color, with lots of length, thickness and eye appeal. He has a gain ratio of 113. His dam is from a long line of moderate frame, beautiful uddered and productive females – the kind that put Red Angus females in high demand today. BR 100, WR 105, REA ratio 102, dam's MPPA 102.7

Here is a rare opportunity to buy some proven genetics – C-T Wide Quest 5109 is just that. He is a full ET brother to the C-T Quest 1103 bull who sold to 5L Red Angus in 2012 and has since went on to prove himself as quite a breeding bull. Siring one of 5L's in 2015 for \$100,000. Wide Quest is just that with an extremely wide body and stance in a moderate frame. He has a good performance record with 77 lb BW to 707 WW and great carcass, 122 IMF ratio and 101 REA ratio. Dam is a top donor cow that is co-owned with C- Red Angus and has a MPPA 101.8.

Scouting Elk

Red Angus Guide to EPDs

HB HerdBuilder Index – Need bulls for developing a profitable cowherd and maximizing the value of marketed progeny? Select a bull with a high HB value.

GM GridMaster Index – If you market all of your calf crop and want to increase the value of that calf crop, select a bull with a high GM value to maximize your profit.

CED Calving Ease Direct – Breeding Heifers? Select bulls with a high CED to increase the probability that the heifers will calve unassisted.

BW..... Birth Weight – Predicts differences in birth weight. BW is included in the CED EPD, so simplify your decisions by selecting bulls based on CED instead of BW.

WW Weaning Weight and **YW** Yearling Weight – Predicts differences in weight at weaning and yearling. While selection based on these growth measures can increase your payweight, be cautious what the bull's other EPDs are.

Milk Milk – Predicts differences in weaning weight of daughter's progeny due to milk production.

ME Maintenance Energy – Selecting bulls with a lower ME EPD will decrease the amount of feed his daughters will require to maintain body weight.

HPG..... Heifer Pregnancy – Retaining heifers? Select bulls with a high HPG to increase the percentage of exposures that result in a calving observation.

CEM Calving Ease Maternal – Another number to pay attention to if you are retaining heifers. Selecting bulls with a high CEM will increase the probability of those daughters calving unassisted.

STAY.... Stayability – The most important trait if your goal is developing cows that stay productive, thus increasing your profitability. Bulls that have a high Stay EPD are expected to sire daughters that remain productive in the herd until at least 6 years of age.

MARB .. Marbling Score – Select bulls with high MARB EPD to increase the number of progeny that grade Choice or Prime.

YG Yield Grade – Marketing calves on a grid? Placing selection pressure on YG EPD will decrease the number of YG discounts on grid-marketed progeny.

CW..... Carcass Weight – Selecting bulls with a high CW EPD will increase the weight of the hanging carcass, which directly impacts revenue.

REA Rib Eye Area – Need to add muscle? Select bulls with a high REA EPD to increase rib eye area, which favorably increases Yield Grade.

FAT Backfat – Need to reduce waste in carcasses? Select bulls with a low FAT EPD to reduce backfat, which favorably increases Yield Grade.

Ranch Tested. Rancher Trusted.

Achieve it!

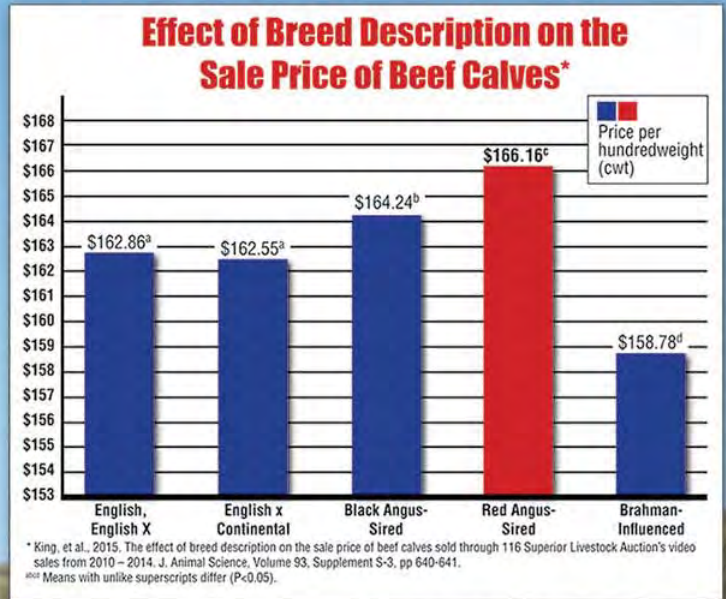

RETURN ON INVESTMENT

Red Angus genetics will improve your return on investment!

"For 10 to 15 years all the buyers ever talked about was black calves, and the black calves always brought more than everything else. Now I can honestly say that good Red Angus calves outsell the black calves and I know the Red Angus bred heifers will outsell black Angus bred heifers of equal quality every day."

— Jim Davis, Superior Livestock Auction

Independent research shows Red Angus-sired calves sold for a higher price than all other breed groups. Red Angus bulls make a positive difference in your breeding program's bottom line.

Invest in your future today!
