*Selling: 25 Yearling Angus Bulls*

*LaGrand Unanimous 5027*

# Welcome

Dear Cattlemen and Women,

Welcome to the annual LaGrand Angus Bull sale. It's been a privilege getting to meet all of you over the past 15 years. Your consideration in my program is humbling. With these softer markets, now is the time to sharpen the pencil and really focus on quality and functionality. I truly feel these bulls will fit your needs in the upcoming times and provide you with the genetics you and the industry desire.

This set of bulls have been developed exactly the same as the past, for longevity. I've culled intensively and I'm only bringing the cream of the crop to town. They are not pushed, never go above a 46 MgCal diet and are raised in large pastures and pens. As usual, they will be in great shape and ready for cows.

The bulls carry a first-breeding-season guarantee with many discounts and delivery options available. Scale-busting weights have never been a goal for me. Please consider this when looking at the offering but I guarantee this group will add frame, length and pounds to any set of calves plus a bull that will hold together during your breeding season and for many years to come.

I would like to thank all of my past customers for their loyalty and for the new ones for taking the time to consider an investment in LaGrand Angus. Our success derives on getting better every year and your demand drives me to produce better cattle. I would also like to thank all my friends and family with a special thanks to my office manager, Malynnda Penner, for making this come together. Please feel free to stop by or call with any questions.

Sincerely,

Lance LaGrand Pankratz

Lance & Jeanna Pankratz, Kaytlin, Logun and Emmalin
