		Dr Kirk ^{si 98}
		Do It Do It ^{si 92}

Very well patterned on barrels but she has never been competed on due to owners medical problems. I have not had the opportunity to push her and ask for the next level. She has lots of natural rate, wants to turn and burn. She is quiet, lopes on a loose rein in and out of the arena. Works off your legs and gives effortlessly to the bridle, almost pinky pressure, she has so much flex and bend. Trained to do all the basics: side passes, two tracks, rollbacks, correct leads, backs and as a bonus – is as smooth as a Cadillac ride. Rides bareback too! She is responsive to training and retains it – can be left in the pasture for months and rides out correctly. Great disposition – look at her eye – super friendly, in-your-pocket type of horse, loves attention. Has only had the best of care – UTD vaccinations & deworming schedule, farrier & dental. Buy her now before I feel better & turn her into a finished, seasoned barrel horse. Any questions please call my cell at 701-840-8028, will return missed calls in the evenings.
