## TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The person in charge will settle any disputes as to bids, and his decision on such matters shall be final.
3. Any announcement from the seller on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes buyer's risk as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser, until loaded for shipment or until the expiration of November 15th of the current year.
6. All claims for adjustment for bred females must be made before May 1st of the following year. All claims for adjustment for heifer calves must be made by September 1st of the following year.
7. Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
8. Delivery costs and scheduling shall be the sole responsibility of the buyer.
9. A certificate of registry and transfer shall be furnished for each registered bred female sold at a final bid price of \$1200 or higher. A certificate of registry and transfer shall be furnished for each registered heifer calf sold at a final bid price of \$900 or higher. If final bid price is less than either of these amounts the cattle will be considered commercial. Certificates of registry may be purchased for the difference.
10. The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

**These cattle do sell in accordance with the Sale Terms and Conditions  
set forth by the Red Angus Association of America.**

# GREEN MOUNTAIN RED ANGUS

***Home of performance-minded females***

*Lots 1 and 2 are a pick right out of the top of our bred heifers and replacements! Only one bred heifer and one replacement heifer calf Elite Pick will be sold. Purchase of these lots allows you to shop after the sale, review performance records, and choose the female that best fits your program.*

*The Green Mountain cowherd has produced several high performance herd sires going into stud facilities such as Accelerated Genetics and ABS, including GMRA Cody 7228, GMRA Citadel 6109, GMRA Make It Easy 8226, GMRA Trilogy 0226 and GMRA Laramie 5110, the 8th most-used bull in the Red Angus breed in 2009.*

*This is a tremendous opportunity to have complete control in purchasing a foundation female!*

*Green Mountain Red Angus bred heifer*

## **GREEN MOUNTAIN ELITE PICK BRED HEIFER**

*Take your pick of any one of Green Mountain's top replacement bred heifers! There are 50 bred heifers to choose from.*

*Sire lines include:*

**HXC CONQUEST 4405P  
GMRA LARAMIE 5110  
LJC MISSION STATEMENT P27  
MESSMER PACKER S008  
GMRA MAKE IT EASY 8226  
GMRA SECRET MISSION 8258  
GMRA CITADEL 6109  
BROWN VACATION H7106**

*Green Mountain Red Angus heifer calf*

## **GREEN MOUNTAIN ELITE PICK HEIFER CALF**

*Take your pick of any one of Green Mountain's top replacement heifer calves! There are 55 heifer calves to choose from.*

*Sire lines include:*

**HXC CONQUEST 4405P  
GMRA LARAMIE 5110  
LJC MISSION STATEMENT P27  
MESSMER PACKER S008  
GMRA MAKE IT EASY 8226  
GMRA SECRET MISSION 8258  
GMRA CITADEL 6109  
GMRA EBV 266  
FRITZ JUSTICE 8013**

*It takes great cows to make great bulls!*

*This is the buyer's choice of the Feddes bred replacement heifers. A couple of examples of the animals produced in our herd are Feddes Blockana 807 and Feddes Big Sky R9. 807 won many shows, including national shows, and has been a high-profile donor cow for several top breeders.*

*Big Sky topped our 2006 sale to Genex and quickly became popular for his excellent calving ease. His daughters are moderate-framed, deep-bodied, easy-fleshing cows with excellent udders. We stress balanced trait selection and do not chase fads.*

*Feddes Red Angus bred heifer*

**FEDDES RED ANGUS ELITE PICK  
BRED HEIFER**

*Take your pick of any one of Feddes Red Angus' top replacement bred heifers! There are 55 bred heifers to choose from.*

*Sire lines include:*

- FEDDES BIG SKY R9**
- FEDDES ATLAS 12S**
- MISSION STATEMENT**
- K2 RED ALLIANCE**
- SAKIC**
- OLE'S OSCAR**
- FEDDES GRAND CHER 7125**

*Feddes Red Angus heifer calf*

**FEDDES RED ANGUS ELITE PICK  
HEIFER CALF**

*Take your pick of any one of Feddes Red Angus' top replacement heifer calves! There are 80 2011-born heifer calves to choose from.*

*Sire lines include:*

- FEDDES BIG SKY R9**
- FEDDES ATLAS 12S**
- C-T BIG CHIEF**
- 5L HOBO DESIGN**
- MESSMER PACKER**
- K2 RED ALLIANCE**
- FEDDES GRAND CHER 7125**

# C-T RED ANGUS

**Putting the Females First.**

*This is the buyer's choice of the C-T bred replacement heifers. We have been putting our stress on making a complete mother cow for many years, and this bunch of replacement heifers show it. We have had great response to our female sales such as NILE and Reno. Some of the sires represented are Norseman King, Feddes Atlas, C-T Thunderbird, Mission Statement, Ole's Oscar and RedSmoke. This pick could take some time sorting through 40 top bred heifers!*

*C-T Red Angus bred heifer*

**C-T RED ANGUS ELITE PICK  
BRED HEIFER**

*Take your pick of any one of C-T Red Angus' top replacement bred heifers! There are 40 bred heifers to choose from.*

*Sire lines include:*

- NORSEMAN KING**
- FEDDES ATLAS**
- C-T THUNDERBIRD**
- MISSION STATEMENT**
- OLE'S OSCAR**
- REDSMOKE**

*C-T Red Angus branding*

*Watchin' the herd*

*Bovine Bird Perch*

**Welcome to the Big Sky Elite Female Sale!**

Within 20 miles of each other in the Bozeman region of Montana live four of the most recognizable and respected Red Angus breeders in North America. Collaboratively, these breeders have produced many stud bulls that are in the ranks of ABS, Genex and Accelerated Genetics, as well as many seedstock herds across the country. This offering will include dams, sisters, cousins and nieces to some of the most highly regarded Red Angus bulls in the industry.

In early September I drove to southwestern Montana and went through these cattle and I can tell you that the quality is superb. The beauty of the Big Sky Elite offering is that there is diversity. Every beef operation has its own needs when it comes to genetics and between the four cattle operations offered, I am sure you can find what you are looking for in a high quality animal from one or more of these four Red Angus programs.

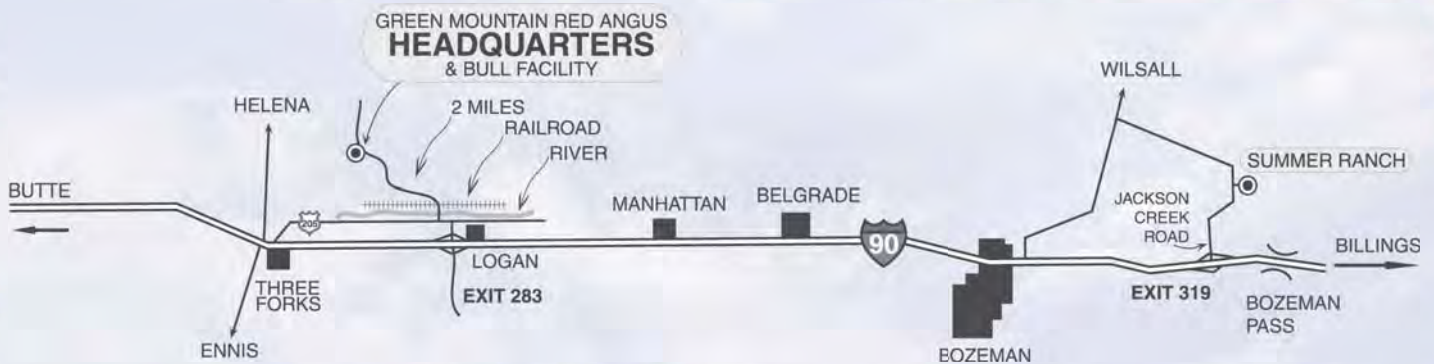

The cattle industry is certainly making some fast-paced changes these days. With the high cost of feed and other operating inputs, it is time for the high efficiency and easy-fleshing abilities of Red Angus cattle. Add to these economic traits, superior marbling, quiet disposition and great maternal characteristics and you can see why the beef industry is turning to the Red Angus breed for answers. The U.S. cowherd continues to shrink, beef demand is rising and beef exports are growing. Now is the time to make sure you are raising a highly marketable calf! If you want to put your beef operation on solid, financial ground with a bright future, you must consider investing in Red Angus genetics in 2011 and beyond.

My fall 2011 Red Angus auction schedule is loaded to say the least. I will be at the Big Sky Elite Female Red Angus sale site and available to take your calls and discuss these cattle in depth by early Friday, Oct. 28. Feel free to contact me anytime but if you cannot attend, I encourage you to call during this time period and I will evaluate cattle while on the phone with you. Also, please note that you can bid live online through DVAAuction or the conference call, or as always, I will be glad to purchase cattle for you in complete confidence.

Finally, I give a big tip of my hat to the hard working folks at Green Mountain Red Angus, Feddes Red Angus, C-T Red Angus and Klompfen Red Angus. These four operations are truly some of the elite breeders of Red Angus genetics in the world.

I look forward to seeing you October 28th and 29th in Logan, Montana!

Best Regards, **Kyle Gilchrist**

Get off 1-90 at the Logan Exit, #283. Go north and take a left on the frontage road. Proceed west toward Three Forks, about 1/2 mile. Take a right onto Logan Trident Road, heading north. The road immediately crosses the Gallatin River and the railroad tracks, as shown on the map. Green Mountain Red Angus is 2 miles from the railroad tracks. Watch for the large Green Mountain Red Angus sign.

Bred to: LJC MISSION STATEMENT P27 (#960383)

Due Date: 2/10/12

P07 is a fancy, moderate-framed, easy-fleshing female that has excellent feet and legs. This year she produced an awesome Mulberry bull calf that will go on to Midland Bull Test this fall. Her 2010 Packer heifer is retained in the herd. Her 2009 Priority heifer was a NILE 2011 Merit Heifer for Ashley Hartman (who just loves her). Light BW & low ME.

Bred to: GMRA SECRET MISSION 8258 (#1250870)

Due Date: 2/17/12

DKK Lakota P25 is a fantastic OSF Grand Canyon daughter and out of the famed Lakota cow family. She is only in the sale because we have two daughters retained in the herd. P25 is moderate framed, has a gorgeous udder with loads of capacity. Not only does she look good phenotypically and on paper, but she is also a consistently strong producer. Bred to Secret Mission (the top-selling bull at Green Mountain in 2008) – the potential for this calf is exceptional. Two sons sold to Monte Haier, Fairfax, S.D., and Meyer Co. Ranch, Helmville, Mont. WR: 102, MPPA 101.4.

Bred to: DKK ULTIMATE 9032 (#1304546)

Due Date: 2/17/12

Razzle P57 is a low-birthweight cow with good growth and a wonderful disposition. We have two daughters retained in our herd. Another daughter sold to Kukuipahu Ranch and lives in Hawaii (at last report, Lee is very fond of her). Two sons have sold at Midland Bull Test to Marvin Fisher, Iowa; and Hertzler Ranch, Absarokee, Mont. Bred to Ultimate 9032, a bull who proved to have superior RFI at Midland Bull Test and has gone on to produce his first set of calves this spring. The calves are consistent, eye catching, and all who have used him have been very impressed. Ultimate should really complement this cow.

These black, red-carrier embryos are some sure-fire genetics. C-T Tina 113 came from the great Boot Jack program and she has been one of our herd-building cows. She is sired by BJR Rambler 5162 who was noted for his females. Leachman Right Time was a very widely used Black Angus bull that was also noted for his great females. Our bred heifer, 1079 (Lot 42), in the sale is an example of this mating.

7127 is a black, red-carrier. This is a flush mate to three of our top-selling bulls in 2008. These bulls sold to Barenthsen Red Angus, N.D., Harmony Hills Red Angus, Mo., and John and Gayle Montgomery, Tenn. These bulls have all done a very good job for these top Red Angus breeders as well as here at Feddes Red Angus. We only have three black, red-carrier females, so we decided we would sell them. MPPA 102.9, progeny averages: BW 94, WW 105, YW 108. She is bred to the \$12,500 bull in Feddes/C-T bull sale this spring that sold to North Santiam Red Angus.

880 has always been at the top of the Feddes program with her 106.9 MPPA and a history of producing top sellers. Heifer calves have sold to Larry Ellison for \$6,000 for 3/4 interest, and to Majestic Meadows for \$7,500 for 1/2 interest. Larry Ellison sold his interest in that heifer calf to Wildcat Creek where they have said she is one of the top cows at their ranch, which is quite an accomplishment considering the cattle they have bought. Eighteen embryos have sold for an average of \$750 a piece. 880 is still flushing well. The last two flushes have averaged seven embryos. This cow still has the ability to be a herd-impacting cow for the new owner. She sells open, ready to flush with three embryos by the new standout ABS bull, C-T Grand Statement, who sold for \$22,500 in our spring bull sale.

Feddes Grandsons – "Let's go get that bull in!"

Sired to: FEDDES GRAND CHER 7125 (#1169367)

Due Date: 4/30/12

This is a full sister to our 173 donor cow that we owned with Lucht Red Angus. They are daughters of the maternal giant, 899. 134 has been a consistent producer, including a top-selling heifer calf at Bet On Red in 2008 going to John Menke. She has an average birth ratio of 94, and IMF ratio of 132.

Sired to: OPEN – READY TO FLUSH

Due Date:

This Red Lightning daughter is as deep and powerful as they come. She has a powerful record. MPPA 104.4, WR on 8 head - 106, YR on 7 head - 105, REA on 6 head - 105. She sired two NILE selections, and one of our current herd sires, "7125," is a son of this powerful cow. Her 2011 bull calf by Packer is near the top of his group. I would like to argue with the computer system that gives her the growth numbers she has, but I will take a cow like her any day, that brings in one of the biggest calves every year, even if the system tells me she is low on growth. She sells open and ready to flush.

Don't overlook Juana 224 because of her age - she's a proven performance powerhouse! She has an MPPA of 102.9, with an average weaning ratio of 104 on 8 calves. Her average birth weight is 79 pounds with a birth weight EPD in the top 2%, and CED in the top 3% of the breed. This highly proven cow comes with a milk EPD in the top 2% and total maternal in the top 12%. In fact, 9 of her 15 EPDs are in the top 16% of the breed. A great chance to buy some highly proven genetics with confidence!

Hi Lass 658 has an MPPA of 102.2, with an average weaning ratio of 103 on 4 calves. Her dam stayed in the herd until she was 12, with an MPPA of 103.8, and an average weaning ratio of 104 on 9 and an average yearling ratio of 102 on 9. Her great granddam stayed in the herd just as long, with an MPPA of 101. The performance keeps passing on to the next generation. Her 2009 daughter is Lot 97 in this offering and posts an MPPA of 103.2. There are tons of maternal power here backed up by a milk EPD in the top 3% of the breed and a total maternal in the top 4%.

Bred to: LAUBACH LOMBARDI 9014 (#1310573)

Due Date: 3/24/12

Princess 781 is the daughter of our bred heifer Elite Pick in 2005, which sold to A & D Red Angus. She has done an outstanding job for us with an MPPA of 102.2. She has an average weaning ratio of 103 on 3 calves and every weaned calf turns in higher performance than the last. All of this is backed up by breed leading EPDs – total maternal is in the top 19%, weaning weight and REA in the top 9%, carcass weight in the top 5%, and yearling weight and stay in the top 4%.

Bred to: LUCHT PASQUALE 923 (#1350972)

Due Date: 4/1/12

Here is a good find – a Norseman King on top of a Super Vision. This combination makes for great females. She also comes from the very maternal Fayette cow family. This heifer should be a sure-fire cow.

Lot 101 – C-T Miss Pan 1012

*Lakota 0102 has one of the most elite pedigrees in the GMRA herd. Ultimately she goes back to our premiere foundation female, GMRA Lakota 912. Her dam is the highly performance minded GMRA Lakota 341, who is the dam of ABS sire GMRA Laramie 5110, and 2009 high seller, GMRA Secret Mission 8258. Lakota 341 has an MPPA of 104.3. Her average birth weight on five calves has been 71 lbs., going on to an average weaning ratio of 106 and an average yearling ratio of 104. Her scanned bull calves turned in an average IMF ratio of 128 and an average REA ratio of 104. A tremendous genetic opportunity!*

*A sample of the heifers in Lot 129*

**GROUP – SIX BRED HEIFERS**

*This is a nice group of Sim/Red Angus Cross heifers. Five of them are bred for the first part of February and one is later. They are all bred to Lucht Pasquale 923. He is a good, moderate-framed Red Angus Pasquale son, with a lot of calving ease. These heifers will sell one at a time. Talk to Craig for available calving dates.*

*A sample of the cows in Lot 130*

**GROUP – FIVE 2- TO 3-YEAR-OLDS**

*This is an excellent group of young Red Angus cows. They are all sired by good maternal Feddes/C-T Red Angus bulls and will have a lot of calves left in them. They will sell individually and will calve from 2/15 thru 4/1. Calving dates are available on all of them. They are all bred to Red Angus bulls.*

*A sample of the cows in Lot 131*

**GROUP – TWO 4-YEAR-OLDS**

*Sell individually. Will calve in March to Red Angus bulls.*

**The BEST VALUE in**

# Age & Source Verification
