This filly is a granddaughter of No Brakes Now! She was born and raised on our ranch and has been used as a ranch horse. She is very willing and will do anything you ask of her. She has sorted cattle, been roped on both in and out of the arena, we have gathered horses on her and she is familiar with the barrel pattern. She is a great combination of cow horse and running horse bloodlines, which should make her a good fit in just about any program. She is a mare that acts like a gelding ... super laid back and easy to handle. We can walk right out in a herd of 30 horses and catch her with no problems. She likes to please people!

This filly was born late and the mare didn't milk very well, so don't overlook her because of her size. She will grow! Her mother is a proven racer and proven barrel producer. Future Fortunes paid in full.

This is a smaller filly by Hasta Be Fast, but is a little pack of dynamite! She's smart and athletic! Her mother is a race winner and a stakes placed producer by No Brakes Now, who has proven to be a sire of many running and arena horses and she is also from the same mare family as Bo Hill's "Phame." Produce of Hasta Be Fast will be eligible in the near future for several breeders barrel futurities. Eligible for the Northern Plains Race Futurity & the MN Stallion Breeders Race Futurity. www.johnsonstables.net.

Here is a classy gelding bred to run with the best. His sire is naturally soft, a quick learner and a dream to ride. His dam runs 1D-2D barrels and 20-21 second poles with limited training. She was a very quick learner, gives 100% every time and is very consistent. I have not had the time to start him, but expect great success from him!
