"Every one the using kind!"

WELCOME

The Sperry Family:
Robert, Tamra, Kanon, Kolby, Marcia,
Rylan, Stephanie, Reese and Russell Sperry

The Sperry Ranch welcomes you to our 9th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of five stallions featured on pages 2-4. They come from lines including Docs Oak, Play Gun, Dash for Cash, SR Instant Choice, Young Gun. Our goal in selecting our stallions and mares is to combine both cow sense and speed to produce horses that can perform in any situation you throw at them.

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside in the badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

But remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Sperry Grandkids:
Reese, Kolby, Rylan & Kanon Sperry

Again this year we have invited some great consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day!

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 14, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.

Mia Dogface Cash has the look and feel of both his parents and grandparents and is shaping up to be the kind of outstanding sire we are looking for to produce foals with both speed and cow sense. He is a pleasure to ride. His sire, Mia Cash Too, was bred for speed and proved it by posting the third fastest qualifying time in the All-American Derby – with a broken knee cap!! Mia Dogface Cash's mother, Cheyennes Huwana, also registered a speed index of 104 during her racing career. Dogface is a full brother to Alfred Hansen's backup head horse, Annie. Ask Bob Hansen how fast they can run.

Gun Too is a beautiful sorrel stallion sired by Young Gun and a grandson of Freckles Playboy. He is a small horse but perfectly proportioned. We purchased Gun Too in Texas and he's exceeding our expectations! He is a pleasure to be around, handles beautifully and rides smoothly. He is currently being used as Robert's PRCA calf roping horse.

2 Foals Sell

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is Badlands, which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "IC" for Instant Cut, "Cash" for Mia Dogface Cash, "Oak" for Millie N Docs Oak, "Gun" for Gun Too and "Gringo" for Gringo Pistolero.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "D" year. That's why all our foals this year have a third name that begins with an "D." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

This own son of Paddy's Irish Whiskey is very successful on the ranch. He is gentle, safe, kind and one likeable dude. We have started him in the heeling and calf roping. Paddy Irish Whiskey breedings are known for their ability to anything and do it well, and this horse is no exception. He is a good mover who has done all phases of ranch work and is nice in the arena as well. Most anybody could get along with him and he has always been willing to work at whatever he is doing. He was rode when Sperry Ranch/Reid Ranch won the Ranch Rodeo at the NILE. He's the best ranch horse on the Sperry Ranch. Nickel is Tamra's main ranch horse for gathering cattle. He has a fast walk, smooth lope, drug lots of calves to the fire, and gathered broodmares a lot of times. There are a lot of pictures on our wall of this guy from a lot of different rodeos. An easy mover that heads steers and drags calves to the fire with the best of them.

Dumas has good muscle and medium

bone. He is smooth as glass at all gaits and very mild mannered. He is enjoyable on the ranch or down the road. Dumas is gentle, kind, and easy to get along with. This is a safe family deal. He is a good one. Lots of potential in this horse and he is as solid as you would ever want. He will pin his ears on cattle. AWESOME!

Starlite has lots of pull, works good and is a nice-sized horse. He has been used on the ranch and drug lots of calves to the fire. He is a good mover with plenty of cow sense. Starlite looks good in town or on the ranch. He was raised on the Tommy Bacon ranch where Nickel and many others came from.

He has been used on the ranch and in the arena. We have drug calves to the fire, sorted and gathered on this nice gelding. He accepts new things well and moves very nicely. He would be a prospect for the ranch or roping. Been pretty honest in all areas of work. This horse has good bone, tendon, and muscle; all attributes of a nice horse.

We are offering one of the most handsome, extremely gentle and broke geldings we have had the opportunity to train. Espuela has been Paje's personal horse, one she has spent many of days on for the last three years. Espuela stands 15.1 hands and weighs near 1,250, has a lot of bone and a good-sized foot on him. He is a very dependable horse, one you can use everyday or saddle once a year. He has quite a personality and likes attention, good to saddle, clip, shoe, bathe, trailer, worm and vaccinate. Espuela will lope off in the palm of your hand, similar to a rocking chair, and has the fuel when you need more speed. He has a very good neck rein, moves off your leg, will back readily. He will work the cutting flag, good with tarps and slickers, will willingly cross water, bridges and logs. Espuela is a very honest horse to ride whether out in the mountains, on the trails or in the arena. We have put extremely novice and timid riders on him and sent them out for rides in the mountains, and you can say he babysits them. While other horses are spooking at elk or balking at the water crossings, Espuela is packing his head and moving forward. A very solid-using ranch gelding, rides our smoothly and alone, can really get a lot of jobs done. Has a lot of cow to sort and gather, and is a hand in the branding pen. Also, a finished head

LOT 27 • ESPUELA

and heel horse, will score on a loose rein in either box, has a lot of rate, and will handle cattle correctly. He has been ridden by many levels of ropers and adjusts to their game easily. Paje ties on when she heels on him and he is big enough to take a lot of jerks. We have hauled him all over this country seasoning him. Used him at the cuttings as a turn back horse, carried flags on him in rodeos, team roped both ends on him, also breakaway. Espuela is very mature and rides like he is a 12 year old. If you want a horse that you can turnout for periods of time and is still a handsome honest individual please come and ride Espuela. We love him and know that you will too. Guaranteed sound. For more information give us a call or watch his videos at www.TurnerPerformancehorses.com.

Playgun Jr stands around 15.1 H and is a shapely, attractive, prime-age gelding. Playgun is gentle and has never offered to hump or buck. He has been used on a large Wyoming ranch in tough desert country. He has been behind both cattle and horses moving them to different pastures. We have ridden Playgun a lot of miles in the Black Hills, he goes over logs, crosses water and keeps a cool head when unexpected wildlife jumps out in front of him. He rides over plastic tarps and handles them being waived off of him. This gelding has drug calves to the fire, pulled logs and ponied green colts. I also waved flags and cracked a bull whip off of him. He side passes over and works gates. This horse is handy, athletic and full of natural cow sense. I have roped the hot heels, burro and lead steer off him in the arena. He will be in the Ranch Horse Competition. Playgun is 100% sound, shod and current on worming and shots. I have video and photos available - give me a call.

Bits is an extremely cute, 15 hand bay gelding, with a lot of personality. He was bred by our long-time friends, the Hutchings, out of Wyoming. His sire HR Hickory Player is an NCHA money earner and has produced many talented cutting horses. Bits is a horse that we have used as a go-to horse, used him at brandings, for all ranching duties, as a turn back horse in the cutting pen, team roped on and for trail rides in the mountains. He is very smooth gaited and sure footed, will cross all water crossings, walk over logs and good with game. Bit will really watch a cow, stays quiet when sorting and can take pressure. He knows his leads and lopes a collected circle, has a lead change and a fancy little turn around. He has a lot of rate in the roping arena, wants to work and do things correctly. Oaky is a very educated 4-year-old gelding, who has seen a lot that most 10-year-olds have. Bred to be good looking, talented, broke and cowy, and he is all the above. We always get a lot of compliments on Oaky – he just has a lot of class and style. Has a solid neck rein, moves off your leg and all his body parts when you ask, will back readily, and goes where pointed. Good color with pretty markings. Gentle & very friendly, loves people. Will take both leads & lope a nice circle. He has a good stop. Nice jog & comfortable lope. Fun to ride & work cows on, he has a lot of natural cowiness! We have started roping on him in the arena, and he is going to be a big time heel, calf or breakaway horse, and it's not going to take a lot of work! Listens to his rider, doesn't hesitate to do what you ask. We have shown him a lot of sights, he will cross water, bridges and logs, and is good with a tarp or slicker. Guaranteed sound. This will be a deluxe performance filly. Her full brother is a super nice heading horse and her full sister got hurt and we have a really nice colt out of her. That's what's nice about her; she can be a performance horse and then raise a performance horse. This is the ultimate cross of Romeo and Hard Cash Dash. They have the brains, body, speed and color. Everyone loves a blonde!

SUGAR

2008 Bay Pony Mare

Sugar is a very nice bay mare pony. Clay started her last year and she is doing awesome. We have hauled her to the Badlands. She will cross water and logs. We have checked cattle with her, tracked cattle in the arena and roped the dummy off of her. She has been hauled to youth rodeos and does barrels, poles, keyhole, flag race and goats. Sugar is nice to be around, picks up feet and catches easy. Clay will preview her and have many photos. She trims and hauls and loads great. Guaranteed sound. Please call with any questions.

Great looking, stout gray gelding. Stands 15.2 hands and can walk a hole in the wind. Smokey knows his way around the ranch and knows what a day's work is. Best part about him he is gentle to be around and not spooky. He will have 6 weeks heading training by Jesse Fredrickson. He should make someone a nice horse. There are a lot of sights to see in North Dakota and if you want a sure bet that you can see each and every one, better come and look at Montana. He is a one-of-a-kind gelding – God sure didn't create a lot like him. He stands 16+ hands, and weighs 1,400+ lbs. He is no draft horse, built and looks like how a Quarter Horse should be. The first question you are going to ask is, "Does he stand still while mounting and can you use a mounting block, stump or the fence?" YES! you can. Montana is broke and quiet with a lot of ability. Easy to get along with, pull him out of the pasture any time & ride off. Really nice traveling horse, covers country. Athletic on his feet, ability to turn at speed & will watch a cow. Handy in rough country. Friendly, no bad habits, hobbles, ponies colts, opens gates. Neck reins, side passes. He has been used on pack trips in the mountains, seen every type of game you can see. Quiet when a herd of buffalo, cattle or horses come running to or away from him. He doesn't get hyped up and antsy, stays calm mannered. We have roped on him in the arena, in the pasture and in the branding pen. Montana looks like a movie horse & is a stand out in any group. Guaranteed sound. Call for more information or watch his video on www.TurnerPerformancehorses.com.

5-year-old, 14.3 H, smoky buckskin gelding. There is only one thing that describes this fine prospect and that is "willing." This horse has been willing to do whatever he is asked of. He is a great mover who can easily do flying lead changes and has nice turnarounds. He has been roped on in the arena and on the ranch. He is a rare combination of athleticism and quiet mind. Don't miss him, there are not many like him.

Thank You!

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Ty Cole, Louis Hutzenbiler and Todd Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

A special thank you to all of our neighbors and friends who allow us to help them on their ranches gathering, sorting and dragging calves to the fire. We are thankful for these opportunities to work our horses, giving them the miles and sweaty saddle blankets that amount to the experience we are able to offer to you each year. We have great confidence in the abilities of every one of these horses and hope that you all go home with a horse that is ideal for your needs.

A big thanks is owed to our neighbors, friends and family for the helping hands and support that they have given us throughout the years.

Thank you all for coming to our sale and a special thanks to everyone who purchases horses. See you next year!

Thanks so much,
The Sperry Family

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship awarded six \$500 individual scholarships to members of the North Dakota High School Rodeo Association.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school rodeos to national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past two years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale in Medora, N.D., where they raised funds for the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to era and friends who have known Bud.

The memorial scholarship will be awarded annually to three boys and three girls. The qualifications for the Sperry

Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses’ website, www.sperryhorses.com.
