Her sire is an undefeated Australian champion that offers a little taller hip height and added frame, yet his heaviest percentage calf still only weighed 68# at birth. Queen of Hearts is an easy keeping heifer with great potential. She is halter broke and a veteran of Houston, where the judge commented that this choke fronted, moderate framed, capacious female "may be small but don't miss this one, she is one of the most complete heifers in the class". She was pasture exposed from 7/1-9/15 to MRG Super Bad, a son of the great Super Sonic, look for some of his tremendous first calf crop in the show ring this fall.

She is a big hipped bred daughter of the American Royal Grand Champion, EZ Captain Jack 1X. Her dam is an outstanding Bar J Sparks cow from the great Nellie cow family in the Bar J program. She was AI bred to the 2012 National Champion Bull, Prince Charming, on 6/15/13.

3 FULLBLOOD EGG BASKET

Lot 3A: 4 fullblood embryos sired by Bonanza's Boxcar 3Y FM15218 and out of EZ Lady Luck 51N FF2219. This is an exceptional mating. I expect these calves, bulls or heifers, to be as good as any we have ever produced. Lady Luck 51N, herself a Reserve National Champion, is a "never miss" kind of cow. Every calf is always at the top of the pack, regardless of sire. But in this case, as great as our first Boxcar calves are, this is a very special deal! If you want the best the breed has to offer, this is it!

Lot 3B: 4 fullblood embryos by Boxcar and out of 3 exceptional donors. 2 embryos out of EZ Bedazzle 66U FF8637, a full sister to the dam of the 2012 National Champion Prince Charming, 1 embryo out of EZ Lacey 55T FF6148, 2009 Grand Champion Female at the Houston Stock Show and daughter of Lady Luck 51N and 1 embryo out of EZ Mercedes 11T, daughter of EZ Maggie 33P, 2006 National Champion Female, and Fairwyn's Machine.

All certificates and paperwork necessary to register the resulting calves will be provided to the buyer at no additional cost.

That's right two National Champions out of 1 flush. Couple this with my natural thickness, solid frame, bold spring of rib and cool extension, I'm a game changer that will impact any herd and the Lowline breed for years to come.
