Greetings!

The past year has been an exciting and rewarding one for the cattle industry. The demand for top-quality cattle is at an all-time high. Cattlemen are finally being rewarded for their hard work and dedication. We feel that our cattle meet today's needs.

We are pleased to offer this good selection of bulls for sale. They were creep fed for a short time before weaning and started on our feed ration combined with VitaFerm mineral when weaned.

If you have any questions on the sale cattle, we encourage you to contact us. We invite you to stop and see our cattle.

Thank you for your past support and we look forward to seeing you on sale day for lunch and fellowship.

Troy and Peg Perman
