Ranch Horse Competition

for 2013 Sale Horses
Saturday, August 10, noon MDT.

"Every one the using kind!"

WELCOME

The Sperry Family:
Robert, Tamra, Kanon, Kolby, Marcia,
Reese, Rylan and Russell Sperry

The Sperry Ranch welcomes you to our 10th Annual Performance and Production Sale. We have something for everyone at this sale, so come prepared to find what you're looking for. We are selling what we think is an outstanding set of ranch-bred weanlings and performance ranch horses. All these horses are bred to perform whether you need something to rodeo on, to use on a daily basis on the ranch or enjoy for trail riding, ranch horse competitions, team penning or pleasure riding.

Our weanlings are out of three stallions featured on pages 2 and 3. They come from lines including Docs Oak, Play Gun and Young Gun. Our goal in selecting our stallions and mares is to produce horses that can perform in any situation you throw at them and to be the "using kind."

The foals have been handled, halter broke and dewormed.

Our performance horses have all been used on our ranch or on our neighbors' ranches to drag calves to the fire during branding, gather mares for breeding or gather calves in the fall for shipping. These horses have been ridden outside

in the badlands as well as in the arena. All are sound and fully guaranteed. We like to say, "Every one the using kind," because we do use them every day. Come and see for yourself!

But remember, these are animals – we cannot guarantee each horse's reaction to what you do with them or how you treat them.

Again this year we have invited some great consignors to add to our sale. We have hand picked the horses and feel they will be an asset to our sale program.

We've tried to put together a sale of horses combining color, conformation, cow sense, speed and performance. These horses will prove themselves over and over again for you, whether you are working on the ranch or bringing home the trophy. We're looking forward to seeing a lot of old friends and meeting new ones on sale day. Come prepared to have some fun and look at some horses.

See you sale day!

▶▶▶▶▶▶▶▶▶▶ TERMS & CONDITIONS ▶▶▶▶▶▶▶▶▶▶

1. The highest bidder is to be the buyer. If a dispute shall arise between two bidders, sole authority to settle the dispute is the auctioneer's as he sees fit and his decision shall be final. The auctioneer reserves the right to reject any or all bids. The seller has the right to the last bid.
2. Terms of the sale are cash. Personal checks are considered cash. Foreign buyers must pay in U.S. currency.
3. Absentee and phone bids are welcome. We will not be held responsible for bad or broken connections if you decide to bid by phone. You may fill out the absentee sheet (Bidder Information, page 2) and mail back to Sperry Quarter Horses before sale day.
4. It is highly recommended that buyers fully examine the horses that interest them. All sales are absolute and final. If a problem shall arise there will be no refunds, only a credit towards next year's sale. All horses are guaranteed for soundness, not compatibility and, if for some reason, you need to return the horse, you have until Tuesday, August 13, to return the horse to the ranch. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. High Plains Veterinary Clinic will be the only veterinarian that can make soundness decisions in order to obtain credit.
5. All registration papers will be held by Sperry Quarter Horses until the buyer's check is cleared through the bank. At that time, Sperry Quarter Horses will mail the AQHA papers and transfers to the new owners.
6. If buyer decides not to take the horse on sale day, it is their responsibility to insure the horse and sign a waiver before it will return to the Sperry Ranch. (Insurance will be available by Steiger Insurance, 605-845-7923.)
7. All horses will be Coggins tested and brand inspected. Health papers will be written to those horses leaving the state and paid for by the buyers. Dr. J.J. Hovde will be the veterinary on hand on sale day to issue healths.
8. Every effort has been made to insure accuracy of the catalog, but sellers assume no responsibility for errors or omissions. Announced changes in catalog sale day take precedence over printed material in this catalog.
9. We have done our best to list the horses' colors accurately but there are no color guarantees and color may need to be determined by the buyer on sale day.
10. All persons attending this sale do so at their own risk. Sperry Quarter Horses and the Theodore Roosevelt Medora Foundation assume no liability, legal or otherwise, for any accidents as a result of attending this sale.
11. **Anyone is welcome to visit the ranch prior to Thursday before the sale to ride the horses. The horses will not be available to ride Thursday through Sunday the week of the sale.**
12. There will be no load-outs until the sale is completely finished.
13. These terms apply whether you read them or not.

BROOD MARES

You will notice that the foals off the ranch all have three names. The first name of each is "Badlands," which over the years, we hope you come to recognize as a Sperry Ranch signature.

The second name represents the stallions' bloodlines so you will be able to quickly identify your foal's background: "Oak" for Millie N Docs Oak, "Gun" for Gun Too and "Gringo" for Gringo Pistolero.

The last names come from a system that has been in the family for over 50 years. Marcia's mother, Claribel, began naming her foals by the alphabet back then so she could remember what year they were born. The first foals she named were born back in 1956 and had names starting with an "A."

We've used Claribel's method over the years and we are now working on an "E" year. That's why all our foals this year have a third name that begins with an "E." Over the years we hope this system will enable you to be able to very quickly tell anyone who raised your foal, its background and the year it was born. We hope you can put our naming system to good use.

This is a gelding I bought as a 2-year-old. He's been ranched on, pen roped on and started cutting. This is a very talented young horse and is one my favorites. He has a good personality and likes people. He's very quiet and acts like a gentleman. He is really nice to sort on as he will really hook on and move with a cow. By San Tule Freckles, NCHA futurity winner and earner of \$200,000+, and out of Reyann Hickory who won over \$310,000 cutting. Not often you can find a horse for sale whose parents have won over \$500,000. Newell would make a cutter or could continue on as a heel horse — he has enough talent either way. Plus, he has the best name I've ever seen.

We wanted to bring you a top-end gelding – one we think a lot of – and ND is he. A horse that has zero buck, ride him once a year and feed him what ever you like. He is a drop-dead handsome, brown gelding, with a ton of mane and tail. Very quiet and gentle on the ground, will stand tied quietly all day. He has a rocking-chair lope and is very smooth strided. We have used him in all aspects on the ranch. He will ride out alone and walk home. He is good to ride out on the trails, a point-and-go type of horse, and knows where his feet are in rough terrain. A solid head horse, he is very honest, runs to the hip, can log and face. He is a horse that you can pull out of the pasture and go rope on him. Has been our go-to head horse. If you are looking for a friend, come and ride ND! Call for more information or watch his video at www.TurnerPerformanceHorses.com.

This guy is easy to head on in the arena. He looks the part and is a really nice horse. We have drug lots of calves to the fire on Lonestar. Russell started him as a colt and used him to doctor wheat-field cattle. He is the kind that everyone wants in their string of horses. He really looks the part. Callie ropes the smart steer on him. Eyota has a license to work. Her dam is related to Joe Gorrell's big roan saddle horse and he can pull calves to the fire all day. Zoey raised the high-selling filly in last year's sale. This mare has put a look on all her colts. She did another good job.

Lot 65 • Pistol

Pistol is a 12-year-old, grade, 15 H ranch horse. This gelding is very cowy and fun to ride. If you can do it horseback, Pistol has done it. He has a great handle on him and is a big stopper. Pistol came off a 200-section ranch in Texas and has covered a lot of big country. That gentleman also hauled him to several large WRCA ranch rodeos. I have had this horse for about a year and have given him long periods of time off and he always saddles up good and rides right off. Have used him to rope big cattle outside and used him at numerous brandings. He is strong from the horn and you can step off and he will work the rope. We have also been heading steers on him this summer and Jesse Fredrickson will also have over a month of roping on him prior to the sale. He has all the goods to make a top-notch head horse. Pistol is a real using horse in every sense of the word. Good to saddle, bridle, shoe and load in the trailer.

A pretty 15.1 H, 7-year-old gelding that we raised. He loves people, is super quiet, comes to you anywhere. Has drug hundreds of calves, used to tag calves and all ranch work. Been on trail rides, wagon trains, started roping steers and, with his pedigree, could probably make a barrel horse. Open gates on him, hobble broke, been hauled a lot, could make a nice family horse. Several world champion performance horses on his papers. He is in his prime and is sound. Cheery Oh will be in the ranch horse competition.

Ridden in steep mountain country, will cross water, bridges and timber. A real ranch horse – been used to gather, doctor, sort and brand. He will ride out alone and walk home. Also, worked the feed lots, will slide over to work gates, and easy to sort cattle on. Te is a cool head horse – will score and can run, has a neat move across the arena, is strong and can pull. A real nice horse if you like to ranch and rope – you only need a one-horse trailer. Call for more information or watch his video at www.TurnerPerformanceHorses.com.

ROPING AND GOAT TYING CLINIC

For the past 6 years, Robert Sperry and Kayla Nelson have co-hosted a roping and goat tying clinic the end of May to help young cowboys and cowgirls learn proper techniques. Over two dozen kids participated in this year's clinic learning tie-down roping, break away roping and goat tying.

In addition to their skill improvement, Robert and Kayla stress the importance of a winning attitude and good sportsmanship in both the arena and in life.

Contact Robert or Kayla for more information participating in the 2014 Roping and Goat Tying Clinic.

We've owned him for three years. He was started in the cutting when we bought him. He is royally bred – Peptoboonsmal and Smart Little Lena on the top and Freckles Playboy and Doc O'Lena on the bottom, all right on his papers. It doesn't get much better than that!! Peppy has been ranched on in the Badlands of North Dakota. He's drug a lot of

calves to the fire and sorted pairs. Peppy is doing really well in the heeling and breakaway. Started in calf roping also. 100% sound. Up to date on 5-Way, West Nile and wormer. Peppy is very light, moves off leg

This is a nice 4-year-old mare we raised out of our best broodmare. She is a hard stopper and is getting a nice handle on her. She is good minded and quiet. She would make a calf horse or heeling horse but has enough talent to be a working cow horse. Her sire won the open cutting in N.D. twice and, more importantly, she is a really nice horse. She will make a nice using horse and then raise some good babies.

Chili is a gentle, do-anything kind of horse. We have ranched on him and this summer, Shaye, our 13-year-old daughter, used him for all western riding events at the 4-H horse show. He's the kind of horse you can catch first thing in the spring, pull cinch, climb on and ride off with a loose rein. He has a great handle on him – smooth moving, fast walk, neck reins, responds to leg pressure, flying lead changes, spins, side passes, walks through water and over bridges.

Blue Roan Pony Gelding

Captain is a 13.2 H true blue roan. He has the shape and looks of a horse but is large-sized pony. Ride him one, two or three kids at a time. He will find you to be caught and loves attention. Captain is very respectful and has manners – he is not a soured-up pony. He rides like a big horse with a one-hand neck rein and lopes nice circles and stops and back great. He would be great for a youngster looking for a good horse to go with for just about anything. Captain would also work for someone that just enjoys riding a smaller horse to get on. He travels great outside and isn't choppy to ride. Not spooky or jumpy, well riding outside. Captain is great to saddle, bridle, shoe and load in the trailer. More info at www.huntleyhorses.com.

ODEO

Black-and-White Pony Gelding

Odeo is a specialty item. He has exceptional conformation and, best of all he is broke like a big horse. He stands almost 13.3 H – big enough for the adults to ride him, yet small enough not to intimidate youth riders. Like most ponies, Odeo is not a goer. He is fine just standing, walking or, his best attribute, he lopes nice, slow, collected circles. He is fun to hop on bareback in a halter and cruise around, will cross water, bridges and logs. He has been hauled to gymkhanas and brandings, runs the barrels, poles and has been heeled on. Gets along well with the big horses and can keep up with them on the trail also. If you're looking for some fun, come and meet him. Call for more information or watch his video at www.TurnerPerformanceHorses.com.

Hot Hot is a one-of-a-kind gelding, stands 16 H, weighs 1,300. He rides like a 15 H horse, has an extremely short stride, will get down and watch a cow, and is very broke.

A horse that can handle time off and will stay broke. An exceptional horse to ride out and get a job done on the ranch, has worked all phases. He has been used to shag bulls out of the arena at rodeos, along with carried flags at grand entries. Hop on him bareback in a halter and head out, or saddle him up and get a job done. This is one of the geldings

Paje has hauled. She has won money on him at the USTRC, WTRC and World Series ropings. A very accomplished head horse, will score, leaves flat and has a stride that you can get out and get your rope on cattle quick, handles cattle very well and can log anything you can rope. We think a lot of Hot Hot. Come and ride him prior to the sale. Call for more information or watch his video at www.TurnerPerformanceHorses.com.

Thank you to all the consignors and the great set of horses they brought for the sale. The Sperry Ranch would also like to thank everyone for their interest in our program. A special thanks to the neighbors, friends and family who helped us get ready for the sale and for their continued support over the years.

Thank you to all the summer help for their hard work riding horses and roping at the ranch to get ready for our sale, especially Cole Spurgeon, Sloan Hendley, Louis Hutzenbiler, Callie and Catie Loftsgard, Kaylee Obrigewitch and Todd Leland. And thanks to Tracey Koester, Cow Camp Promotions, for the outstanding job she's done as our advertising developer and catalog designer.

Bud Sperry

“Old Cowboy” Memorial Scholarship

The family of Kyle “Bud” Sperry Jr. established a memorial scholarship in Bud’s honor. The Bud Sperry “Old Cowboy” Memorial Scholarship will award eight \$500 individual scholarships to members of the North Dakota High School Rodeo Association (NDHSRA) in June 2013.

Bud loved rodeo, whether it was competing or supporting his boys. He was always there to lend a helping hand or advice to anyone concerning rodeo, horses or anything else it may be. Bud watched his sons, Russell and Robert, and many other neighboring kids compete in high school and national high school rodeos, then on to college rodeos throughout their careers. He knew of the importance of a college education and the expenses that come with it.

The past three years, family, friends, neighbors and horse buyers gathered in August at the Sperry Quarter Horse Sale in Medora, N.D., where they raised funds for the memorial scholarship. We have added “Old Cowboy” to the name as a tribute to Bud’s era and his friends.

This year, the Sperry family awarded two of the eight scholarships in memory of Kelby Indergard (17), Sidney, Mont., whose life was unexpectedly cut short on Jan. 12, 2013. Kelby was an active member of the NDHSRA and attended the 2012 High School National Rodeo Finals in team roping with his partner, Rory Irwin. He also qualified for “Team Cinch” in 2012-13 by

being a standout in the state of North Dakota in both academics and in the rodeo arena. One of Kelby’s goals was to earn a Bud Sperry “Old Cowboy” Memorial Scholarship.

The memorial scholarships will be awarded annually to three boys and three girls, and two to either. The qualifications for the Sperry Scholarship are: a graduating senior who is a member on the NDHSRA in good standing. Member must have qualified to the ND State High School Finals at least once in their high school career. Those who have not qualified for state by their senior year, and are close to being in the top 24 should apply. Applicant should have a 2.00 GPA or better and have plans to attend an accredited university, junior college or trade school the immediate fall semester after high school graduation.

Scholarship applications and more information are available on the NDHSRA website, www.ndhsra.org, and on Sperry Quarter Horses’ website, www.sperryhorses.com.

Recipients of the Bud Sperry “Old Cowboy” Memorial Scholarship were announced at the North Dakota High School Rodeo Finals this past June.

The family of Bud Sperry would like to thank everyone who has contributed to the Memorial Scholarship, and for those who continue to support the scholarship through gifts and memorials. Contributions and memorials will ensure a strong future for the scholarship. Please contact Marcia or Robert Sperry for more information.

Thank you,

The Sperry Family
