Cattle Viewing

Bulls will be at the barn for viewing Thursday evening through sale day, or come any day before to the ranch to see the bulls.

Guarantee

All bulls sell as guaranteed breeders. The yearling bulls have not been semen tested due to their young age. We suggest you have them semen tested before you use them. All claims of non-breeders must be made within six months of purchase. We cannot guarantee against physical injury or illness, but would like you to let us know if you have any problems.

Discount

\$50 off if the buyer hauls his bulls home on either sale day or the following day.

Sale Promotion & Catalog

Tracey Koester, Cow Camp Promotions

Greetings from all of us at Brenner Angus!

Welcome to the Brenner Angus Annual Bull Sale. We would like to thank all of our family, friends and customers for their support of our breeding program. We thank you for your input to help guide us on our journey to keep improving the genetics of our program.

We are striving to produce cattle that will perform well in the pasture and in the feedlot. Maternal traits are very important. Cows with good udders and mothering ability are a must. Calves should be up and suckling in a short time after birth. They need to grow on grass and mother's milk, and wean off at a respectable weight. They need to be able to perform in the feedlot, developing into a desirable end product.

It's a great time to be in the cattle business. Everyone says cattle numbers are at an all-time low. This should mean cattle markets will be good for a few years. GREAT!!!

This year we are offering 16 (9 Angus and 7 Red Angus) 2-year-old bulls. These bulls were out on pasture over the summer. We have been feeding them some grain to keep them looking good, but not over conditioned. They will be ready to go to work.

The yearling bulls (50 red and 40 black) were weaned in October. They have been on a growing & developing ration since then. They have been gaining about 3.5 pounds a day. There are several bulls in the offering that will be great to use on heifers. They will be noted as "Suitable for heifers" in the comments. These are low birth weight and low birth EPD bulls with good gainability.

Something new this year! We are offering heifers in our sale this year. We will be selling 25 commercial Angus heifers and 35 commercial Red Angus heifers. These heifers should make very good cows. The heifers will sell in two groups, black and red. The high bidder will be able to choose how many heifers he wants. Take one, all, or somewhere in between. This will be gate cut of course.

We invite you to join us on Saturday, February 22, 2014 at 2 p.m. CST at Kist Livestock in Mandan, ND. If you have any questions, don't hesitate to call us or even come take a look at the bulls or heifers at the ranch. Hope to see you at the sale.

God's blessings to you and your families throughout the coming year!

*Your breeding program isn't a game ...
Devise a strategy for profitable cattle.*

Whether you need red or black genetics for your program, Brenner Angus can help you strategically breed your cattle for profit. We are raising cattle with strong maternal traits, high fertility, efficient growth, correct phenotype and good dispositions.

These traits combined with breed-leading genetics will move your breeding program in the right direction.
