Selling 20 Fall Registered Open Heifers
50 Spring Registered Open Heifers
100 Registered, A.I.-Bred Heifers

Bid live or online with: **DVAuction** Broadcasting
Real-time Auctions

Damar Mimi W085

Welcome!

All of us at Damar Farms are excited about this Glamour Girls offering. Our embryo and A.I. programs have been very successful and are allowing us to achieve our goal of an all registered herd.

Ennis has picked our top show calves for this sale. If you have had a chance to see us in the show ring, you have seen just how well our cattle are performing.

Dave and Mary

All of the breds have been mated by Mitch and Denise for calving ease and carcass numbers. We are excited to share our quality genetics with you.

We would also like to invite you to our Sunday, December 7th Production Sale, Maternal Magic. We will be selling registered bred cows, the last of our commercial cows (the ones we hate to part with) and spring open heifers. This will be held in our heated barn at our Mondovi Farm.

If you cannot join us, DVAuction did a superb job videoing the cattle and you can bid online at www.dvauction.com. The videos will be available on our website on September 15th.

Thank you for joining us.

Doc & Mary Hehli and the entire Damar Team

SALE TERMS: All Simmental cattle sell under the terms and conditions of the American Simmental Association. All Red Angus cattle sell under the terms and conditions of the Red Angus Association of America.

LIVESTOCK INSURANCE: Cattle insurance will be available sale day through Jame Secondino Krieger – American Live Stock, Inc., a Markel Company, 812-208-0956.

ANNOUNCEMENTS: Announcements made sale day from the auction block during the sale takes precedence over printed material associated with this sale. Anyone attending this sale attends at his or her own risk. Breeders or any sale staff will not be held responsible for any personal injury to anyone attending this sale.

SALES AND MARKETING:

Ennis Wallace:
 Cell phone731-415-4299

Owners: Dave and Mary Hehli, Strum, WI

CALVING DATES:

Our vet has called these A.I. bred with 99% certainty. They were preg checked at 45 days and most have never seen a cleanup bull. Only the later group was called A.I. at 45 days and had a bull in case they lost the calf. We know the bull in the remote case they are not A.I. bred.

TRUCKING:

Bring your trailer sale day and take your purchases home, to receive \$100 discount per head. Purchases must be paid in full sale day to receive the discount.

Trucking to your farm or a central location in your area.

For example, farthest point west is Billings, MT
 In the past, Damar Farms has provided free trucking for those who purchased from our female and bull sales, however with the rising cost of trucking expense, we can no longer offer that service fully. Damar Farms has had to pay \$3.85 per mile on cattle they have purchase. Therefore, Damar Farms will provide trucking for those who are interested at a shared cost of 50%. The rate will be \$1.92 per loaded mile pro-rated. An example follows:

10 head depart Damar Farms - Emerald
 2 head delivered to Tomah, WI –133 Miles from Emerald
 8 head delivered to Madison, WI – 233 Miles from Emerald

\$1.92 X 133 miles = \$255.36 / 10 Head = \$25.54 per 2 head = \$51.08
 \$1.92 X 100 miles = \$192.00 / 8 head = \$24.00 per 8 head = \$192.00
 + \$25.54 per 8 head = \$204.32 = \$396.32
 Per head to Tomah, WI = \$25.54
 Per head to Madison, WI = \$49.54
 In this example.

VIDEOS:

All video provided by DV Auction.
 Videos will be available at www.damarfarms.com by Sept. 15.

WATCH AND BID ONLINE FOR FREE AT DVAuction.com!

Real time bidding will be available via the Internet for this sale. Live video/audio will allow buyers to bid on animals as if they were present at the auction. Internet buyers must create an account and register to bid 24 hours prior to the sale at www.dvauction.com. Call Justin Dikoff at (605) 290-0635 with any questions. Please see page 2 for complete details on registering to bid on DVAuction.

B043 is our model Red Angus female. You can't make them any deeper or easier fleshing! She mirrors her dam, 185M. Being the dam of Cowboy Cut proves what a strong cow this is. She has the ability to transmit athleticism, excellent rib shape and muscling to well-balanced progeny. Damar retains one successful flush.

Red SSS Soldier 365W, Ft. Worth, 2014

This heifer is a daughter of one of the world's premier Red Angus cows, Damar Mimi. Her progeny have done a tremendous job in the show ring, hanging multiple Produce of Dam banners for Mimi. B132 was a division winner at the Iowa State Fair. Mimi daughters contributed to winning the Produce of Dam, Senior Get of Sire and Junior Get of Sire at Iowa State Fair as well. B132 possesses the same qualities as her sire, Cowboy Cut. She is big middled, excellent rib shape, well-balanced muscle and athletic – everything this breed needs. Damar retains one successful flush.

Three full siblings to the great Damar Mimi! B111, B033 and B027's dam, Tarmilly R512 is one of the breed's most sought-after dams. She is the dam of W085 Mimi and Z133, the Red Western Classic Winner. R512 averages 12 viable embryos per flush and most recently she produced 32 No. 1 embryos! Talk about fertility! This mating was the 2013 Best of Both Worlds Female Sale topper, selling to Ulrich Brothers of Minnesota.

Lots 9, 10, and 11 are the combination of R512 and Red SSS Soldier. These three females are soft made, thin necked, flat shouldered and tie into a big hip. They are correctly balanced and muscular, and extremely eye catching individuals that combine maternal excellence and an outcross pedigree. They are sure to turn heads in the show ring and the pasture.

These heifer calves are feminine, super deep, and extremely functional. They will be the mainstays you can build a herd around. These females are extremely thick and super sound – the kind the cowmen love. T701 is quickly becoming a top donor at Damar. Dexan traces back to Monu 4X, another great female sire.

T701 is the all-around cow. She produces good females and equally as good bulls. She produced the top-selling bull in Damar Farms' sale, which headed to Canada for Blairs. Ag. Additionally, she is the mother of upcoming sire Damar Maponos B552, the Minnesota State Fair Red Angus Bull Grand Champion.

These full siblings' mother, Pandora M186, was a true matriarch at the Messmer program. Now at Damar, she has continued her unbelievable ability to reproduce cattle that are the right kind. Phenotypically, these females are a silhouette of her mother, Pandora. Study your lessons here – they don't get much better from her genetic values to her massive phenotype.

More foundation females – Sofie, Romeo and King Rob. This is the program that got Damar going. We can't say enough about these foundation females and their continued influence of Damar's program success. Momentum was the lead-off bull for the Soo Line Red Angus Dispersal, now owned by Accelerated Genetics, Jeffries Land and Cattle and Silver Spur Ranches.

Ranch Tested. Rancher Trusted.

Red Angus

- Lower Maintenance Energy Requirements
- Environmental Adaptability
- Excellent Maternal Characteristics
- Easy Calving
- Increased Longevity
- Docile Disposition
- Unbiased, Reliable EPDs
- Improved Udder Quality
