A terrific set of Underdog heifers at Husung Ranch. Several sisters sell.

Proceeds from this heifer are donated to SLABA, earmarked for premiums for the Houston International Lowline Show - thank you to the Welch family of Texas Spur Lowlines! She is sired by a grandson of the National Champion Little Joe 305R, who sired the National Western Grand Champion Pen of Commercial Heifers last year over all breeds! Her dam goes back to the Bar J Nadine cow family that produced the 2005 National Champion Female. Add her to your herd and donate to a great cause at the same time.

Possum Creek Fullblood Females

Get-Back-to-Grass

Possum Creek Ranch Herd Reduction

We have the unique opportunity to offer the herd reduction sale of a great young breeding program from Annie Bauer at Possum Creek Ranch. Only in a sale of this kind would this great group of very productive, young females be offered for sale. They are attractive, very well bred and very good producers!

Frosty, herd bull at Possum Creek Ranch. He is the sire of Lots 10, 12, 16, and 17, and service sire to several of the Possum Creek consignments.

April is a daughter of the great Bull's Eye out of the Lot 24 Phebe cow.

Lowline calves come easy out of first calf heifers and have exceptional vigor at birth and fleshing ability, ideal for grass-fed beef.

41 - 70

Joe Maddox Dispersal

Complete dispersal of 29 percent-age Lowline cows with halfblood Akaushi calves at side. The cows are 3 to 6 years old. There are 20 halfblood Lowline cows, weighing 850 - 1050#. The rest of the cows are 3/4 - purebred Lowline, weighing 800 - 900#. Some of the cows

are registered Lowlines - we will sort through the papers and match them up with the cows when we work them at the sale site. If a cow has registration papers, they will be given to the buyer sale day. The cows are all-natural, wormed with diatomaceous earth in their mineral. The calves are sired by Heartbrand 9597Y, a Akaushi bull sired by a son of Big Al. The first calf was born August 10, 2014. The bull was turned in with the cows again on September 10, 2014. The calves from these cows are eligible for a 20¢ premium market contract to Heartbrand beef if parentage verified by DNA by the new owners. This is a set of terrific productive commercial Lowline females, raised

in droughty conditions in west Texas that illustrate why we call this sale "Get Back to Grass." They are designed specifically for all-natural beef production. They also could be used as extremely efficient recipient cows for a Lowline embryo transplant program and, with Lutylase, could be set up and synchronized for early September ET calves. Consigned by Joe Maddox.

What a great opportunity to acquire the finest vintage Ardrossan genetics offered in the US. These embryos are sired by the Australian Champion Ardrossan Findon, whose dam Ardrossan Carla is one of the greatest Lowline cows in Australia and whose son, Findon Royale has done such a wonderful job in the Muddy Creek and Schmit Farm herds. The dam of these embryos, Neika, is a sister to the great Ardrossan Neron bull who has been widely used successfully in Lowline herds across the US. Interestingly, Neika's dam is out of the foundation "Pearl" TRA M247 cow that came directly from the Trangie Dispersal. Neika's sire Nero had a mature weight of 1746#. 3 fullblood grade 1 embryos.

LOWLINE MODERATOR BULL BATTLE

The dynamic Houston Livestock Show and Rodeo Moderator Bull Battle will be a landmark, breed-changing event. We are very excited about this first-ever Bull Battle to be held at the Houston Livestock Show and Rodeo on March 3, 2015 and sponsored by SLABA. It is a "winner take all" contest with a twist - every exhibitor as well as every person that pays an entry fee gets 20 straws of semen and 20 AI certificates on the Bull Battle Champion. The exhibitor/breeder of the Bull Battle Champion wins the total of the entry fees less the costs of the Bull Battle. And one lucky participant wins the Bull Battle Champion!!!

Here's How it Works:

1. All virgin Moderator and 50% Moderator Plus Bulls born between March 1, 2013 and February 28, 2014 are eligible.
2. All bulls must be entered by the breeder. The breeder is determined as the owner of the cow at time of birth.
3. Entry fee for the Moderator Bull Battle is \$1000/2 bulls. The entry deadline is **October 31, 2014**.
4. The opportunity to purchase a semen interest and chance for possession will sell for \$1000 and sales will close immediately before the Bull Battle show begins.
5. The bulls will be weighed, ultra-sounded (at owner's expense) and scro-

6. The bulls will be shown by age divisions on March 3, 2015 at 3:30 PM, immediately before the Houston Lowline Sale. Bulls will be evaluated and placed by a panel of three respected judges.
7. The Bull Battle Grand Champion will be named by the panel of judges and the exhibitor/breeder of the bull will win the total of the entry fees less sale commission and semen collection and insurance costs. If there are 50 entry fees paid, this amount is estimated to be between \$35,000 and \$40,000.
8. Every breeder that paid an entry fee will receive 20 units of semen and 20 non-transferable AI certificates from the Bull Battle Champion and the breeder of the Bull Battle Champion will receive a total of 50 units and 50 non-transferable AI certificates.
9. A lottery-type drawing will be simultaneously running. The last name drawn will own full possession and future rights to sell semen from the bull after two years. The possession winner of the Bull Battle Champion has the option of putting the bull in the Houston Lowline Sale that will immediately follow the Bull Battle Show.
10. The lottery drawing will also determine the order in which semen is released to participants. The first participant drawn will get the first semen, the second name drawn gets the second semen released etc.
11. The non-winning bulls will be ranked in order and will have the opportunity to earn a sales position in the Houston Lowline Sale. Total number of bulls allowed to enter the sale will be determined on a percentage of entries. Bulls selling in the sale will be charged the same sale commission as other sale entries.

For entry forms and complete rules, please go to:

Terms and Conditions

Terms: Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Insurance of Purchases and Risk: All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

Health and Export: A vet will be on hand to write interstate health certificates.

Registration and Transfer: All animals, except where noted, sell with registration papers from their respective breed Association and will be transferred after the sale at the seller's expense. In the case of dual registered cattle, both registration papers will be transferred.

Announcements: Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

Breeding Guarantee: Every effort will be made to make the most up-to-date information regarding pregnancy check available to the buyers.

Lowline bred females in the sale have been pregnancy examined by a veterinarian and found to be safe in calf. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Lowline bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

Liabilities: All persons who attend the sale do so at their own risk and Auction Effertz, Ltd. and SLABA and the sale consignors assume no liability for any accidents that may occur. Neither does Auction Effertz, Ltd. or SLABA and the sale consignors assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is also to be clearly understood that Auction Effertz, Ltd. acts only as a medium between the buyer and the seller. They are not responsible in any way for any failure on the part of the buyer and the seller to live up to their obligations of for the truth of any warranties or representations, express or implied. Neither does Auction Effertz, Ltd. assume any financial obligation to collect or enforce collection of monies between parties. Any legal action that may in exceptional cases be taken, must be between the buyer and the seller.

Contract: The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

Mail bid: Mail or wire bids may be furnished. Bids must be in the hands of the sale manager in ample time prior to the sale and will be handled in strict confidence.
