## Quality Genetics ... Common-Sense Cattle!

Welcome to our First Annual Jacobson Red Angus Bull Sale! After 19 years of selling private treaty bulls to our customers – it's time to bring them to all of you. What a time to be in the cattle business ... the rewards are being felt for those of us that have hung in there and didn't mind getting our boots dirty!

*Gary, Val and grandkids*

Red Angus has become the breed of choice to rebuild the nation's cow herd with females demanding premiums all across the country. At Jacobson Red Angus our goal has been, and continues to be, to build a "Cow Herd" – built on maternal traits, with udders, disposition, and sound structure are our key selection criteria. We have built cattle that will work in our environment first, and then we have let the numbers fall where they may. We feel Red Angus is the calving ease breed of choice for today's cowman.

For the past 11 years now, our registered cows have been summered on the Oxley Hereford Ranch, and we are very thankful to have that relationship with their ranch manager, Bob Schafer. It is a large native grass ranch where we have been able to treat our cows as commercial cows – with no special treatment. The calves receive NO CREEP. They are weaned across the fence, run on grass 3 to 4 weeks, and allowed to make "guts" to handle the high roughage ration we feed them in our bull test facility back at the home place. We make no excuses for our cattle, but as many already know, we are having one of those 'tough' winters. The bulls are in perfect shape but they are not fat. As always, we stand behind our bulls a 100%.

Val and I feel blessed with all the people we have met and the friendships we have made being involved with this great breed. I have been fortunate enough to serve in our state association as well as currently serving on the Red Angus Association of America Board of Directors.

We look forward to seeing familiar, as well as new faces at our first annual bull sale. Please come join us Sunday night, March 30, for dinner and a discussion about the new Red Angus Choice+ premium grid with Tyson. Then again Monday, March 31, at the Central Livestock Association in West Fargo for the auction... lunch will be served!

Thanks,

Gary "Jake" and Val

**Buy a Bull – We'll Buy Your Tags!**

If you purchase a bull from us, we will purchase one bag of FCCP or Allied Access tags per bull for you.

All you need to do is call the Red Angus Marketing Department, answer a few management questions, and enroll your calf crop for free. Then start reaping the premiums through Red Angus' marketing programs!

Feeder Calf Certification Program (FCCP) "yellow tags" are for bull customers using **ONLY** Red Angus bulls. FCCP cattle are accepted into the Choice+ Grid and Pro-Cow Program. Cattle enrolled in FCCP are USDA genetic, source and age verified.

Allied Access "green tags" verify source and age for bull customers utilizing halfblood bulls in their planned crossbreeding program.

*With nothing held back, we felt we needed to jump right into our first sale head first with a bull that has been our standout calf all summer, fall and winter. Expression 3073 is a true breeding piece ... from his outstanding muscle expression, to his flawless structure and phenotype, he will surely be a bull one can build off of.*

*His sire, MLK CRK Expression 9127, immediately becomes the sire of favor for every breeder that uses him. He flat sires some of the best calves in the breed. Although his growth EPDs don't reflect it, he has progeny averages of 99 ABR, 101 AWR and 100 AYR on over 150 calves!*

*The dam, Glacier Fritz 501 ET, is our most prolific ET donor cow. Just in this sale alone, she is the dam of Lots 16 through 19, as well as Lot 53. She is also the maternal granddam to our young herd sire, Koester Chivas. A model cow, she is moderate, deep bodied, easy fleshing and loaded with maternal goodness.*

*Fed Express 3001 is the kind of bull that we would like to raise all day long! His combination of great performance, depth of rib, structural soundness, great disposition, and overall dimension is what we have been striving for in our cattle.*

*Note the consistency of these MLK CRK Express calves! His progeny have already commanded top dollar in herds like Crump's in Wyoming, as well as Sandbur Ridge and Birnie Red Angus in Nebraska. On the sire side, he is double bred to muscle leader, Norseman King, and maternally he is out of the MLK CRK Sheba 043 cow, a 103.7 MPPA Proof daughter that is now a top donor at Sandbur and Birnie's in NE.*

*The dam, Forever Queen 950, is a maternal sister to our longtime herd sire, Coley's Mojito 503R, out of the NER Copper Queen 2657 cow by New Trend 22D and out of the EPD trait leading Forster Cprtp 591 donor from Forster's in ND.*

Mully 3180 is the natural calf out of our top ET donor, Fritz 501... and he could be the best one to date! This young bull is really made right, with great confirmation and a big 13.3 REA.

His sire, Mully 1119, was one of our stoutest calves from our '11 calf crop, and he stamps his calves with the same look that he had at that age. Rusty Spur Red Angus from Valley City, ND picked him out in the spring of '12.

# TERMS & CONDITIONS

## 1. BIDDING

The Auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

## 2. TERMS

Terms of sale are cash unless satisfactory credit arrangements have been made with Sale Management prior to sale.

## 3. PURCHASER'S RISK

Each animal becomes the risk of the Buyer as soon as sold, but it shall be the obligation of the Seller to see that animals are fed and cared for free of charge to Buyer, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

## 4. HEALTH

All animals are eligible for interstate shipment, except as otherwise announced. Interstate health papers will be furnished for each animal requiring tuberculosis and brucellosis tests in accordance with Federal Regulations.

## 5. ANNOUNCEMENTS

Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

## 6. DEFAULT

In the event the Buyer defaults on payment, the Buyer shall be responsible for all costs, including attorney's costs, incurred by Sale Management or Seller in connection with collecting, or attempting to collect, payment due.

## 7. BREEDING GUARANTEE

All animals are guaranteed by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices.

## 8. CONTRACT

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

## 9. LIABILITIES

All persons who attend the sale do so at their own risk. The seller, the sale manager, and the auction facility assume no liability for accidents that may occur. It is to be clearly understood that the sale manager and their representatives act only as a medium between the buyer and seller.
