She has already proven herself in the show ring as the 2015 Iowa State Fair Grand Champion. We wondered, what would you get breeding today's quality females with the great foundation bulls of the breed. You will find out as she was bred on July 16 to Nevada N060, in our opinion the best of the "Magnificent Seven" foundation herd bulls. Confirmed pregnant on August 24 by BioPRYN. This is a rare opportunity to potentially reap a huge dividend on her first calf.
