Cedarflo Angus Ranch

Annual Production Sale

Wed., February 22, 2012

Registered Angus Since 1948 • Performance Tested Since 1968

All sale animals are free of any known genetic defects.

PRE-SALE INSPECTION: At ranch until Feb. 20. Directions: 13 miles north of Highway 8 and 12 Junction to 14th Ave. NE; or 13 miles south of Highway 8 and 21 Junction to 14th Ave. NE, then 3 miles west and 1/2 mile south. Bulls will be at Lemmon Livestock from Feb. 20 on.

HEALTH: All animals have gone through a comprehensive health program. Health papers will be furnished for cattle as needed.

FEMALES: All females sell as purebred, unregistered animals. Registration papers are available at an additional cost.

ULTRASOUND AND YEARLING DATA: Available sale day or on our website as soon as the information is available.

DELIVERY: Free delivery of bulls up to 250 miles or deduct \$50 if you haul sale day. We will assist in making arrangements for longer distances and for female purchases.

TERMS AND CONDITIONS: Terms of the sale are cash. All animals sell under the terms and conditions as adopted by the American Angus Association. Statements made sale day take precedence over printed information.

We are not responsible for accidents or injury. All persons attending the sale do so at their own risk, legal or otherwise.

Auctioneer:

Complimentary Lunch Before the Sale

Please bring this catalog with you sale day.

Thank you and see you at the sale!

Welcome friends and neighbors,

As I'm writing this, we have had a winter full of record-high temperatures and very little precipitation; it's been sort of a nice break from the last three. Now that I have boldly tempted the powers that be, my under handed way of asking for moisture for the spring, I'm sure that we will get that 200 inches of snow during calving season. Yes, I agree, not exactly the best scenario, but if it means moisture to start the crops and at least one great hay cutting I'm fine with a little anxiety now. We all ride the roller coaster called weather, whatever it may bring we will deal with and be wiser upon the outcome.

Highlighted in the coming pages are 50 yearling Angus bulls and 24 commercial Angus heifers. We make an attempt each year to select pedigrees that highlight and improve upon our philosophy: genetically sound animals whose performance is complimented by their calving ease. Calves are raised on mother's milk and grass, not creep feed. This allows the individuals to express their potential before weaning.

Once weaned, and selections made, the animals are fed a growing ration high in roughage which allows them to display their genetic differences. The information provided, including the ultrasound and yearling information on hand sale day, are true representations of what you should expect from the Angus breed and our philosophy combined. It is our guarantee that the bulls sold will pass a breeding exam ensuring they are sound breeders for the first breeding season.

Thank you for giving us the opportunity to share our hard work and commitment to you, our customers. If you have any questions, please contact either Dave or Jeremy at the numbers listed below. We also invite you to make your selections early by viewing the animals at the ranch until Monday, February 20 after which they will be available at Lemmon Livestock until sale time. Information will be posted on our website, www.cedarfloangus.com, as it becomes available.

Although we would prefer to see you at the sale, we understand that problems do arise unexpectedly. If you are not able to attend you can watch and even bid on animals in the sale by visiting www.lemmonlivestock.com and following the instructions for CattleUSA.com, their online bidding service.

Wishing you the best in the coming year,

Dave and Carol Fordahl

All females sell as purebred, unregistered animals. Registration papers will be available at an additional cost by contacting us after the sale.

The American Angus Association's policy of not providing EPDs for unregistered animals prevents us from supplying EPD information for them. Further information will be provided, including EPDs, if the buyer(s) choose to purchase registrations.

1305 6th St. NE
Hettinger, ND 58639

Production Sale

**WEDNESDAY,
FEBRUARY 22, 2012**

12 noon (MST)

Lemmon Livestock, Lemmon, SD
(605) 374-3877 • 1-800-822-8853
