167Y has an 88# BW out of a McHenry daughter. He should add frame and length to his calves.

192Y is a big, long Bronson son with great milk EPDs ... great numbers for birth and weaning.

203Y is a growthy, young Bronson son, long and straight and a TT for leptin. He has the biggest Milk EPD in the sale.

209Y is a great looking, low birthweight McHenry grandson with the style and balance to sire show calves.
