*Welcome*

# FRENZEL

## FR *RED ANGUS*

Welcome to our 10th annual private treaty sale. Frenzel Red Angus would like to thank all of our past and future customers for believing in and supporting our program. This year's offering is loaded with top herd bull prospects and fancy replacement heifers.

We have a lot of calving ease potential in the group as well as some outstanding growth and performance. It is evident in their performance and EPD's. All bulls will be performance tested with free delivery. The bulls look outstanding.

New this year we are offering a great set of heifers. They are ready to go to work for you. If you have a friend or family member looking for great show prospects we have a great selection.

As always, we feel that our bull and heifer offerings is as strong as you'll find anywhere. We encourage you to stop out early for the best selection.

*The Frenzel Family*
