

Bina Charolais 20th Annual **POWERHOUSE** Sale

4022 – Here is a bull that has caught our eye since birth and anyone who has stepped on the farm. This Ledger calf would work in a purebred operation or do wonders for a commercial guy. He is big topped, squared hipped and has lots of depth rib. Look him up on sale day!!

4035 – 4035 is one thick bull with loads of style. He is deep ribbed and full of power. This bull is able to get out and move with a sound structural base. He has a low birth weight and would be a great asset in your herd.
