Lance & Jeanna Pankratz

Welcome to our “inaugural” annual LaGrand Angus Bull sale. As many of you know, I have been rebuilding the herd since my 2012 dispersion. I have been doing on farm private treaty sales the last two years due to a lower volume of bulls to offer but I know now is the time to return. Since then, I have been able to replace many of my fundamental pieces. Great care and diligence has been put in to getting back the many great cow families that have formed the original herd that we started in 1997. Key embryos that established and transformed LaGrand have been developed as well as strategic purchases, which originated from my program, in the Baker and LaGrand ScotchCap dispersions. I am calving out 125 cows right now with 30 heifers in the breeding pen for next year. As you look through the pedigrees, you will notice these bulls will stem from my unique program.

My platform is the same; cull any cows and their calves that have any issues no matter what the pedigree is or what I have invested. Raise cattle that will thrive in any environment, produce the phenotype that the neighbors will be envious of but most of all, make you money by putting pounds on the scale ticket, adding carcass value and females that will stay in the herd.

The bulls have been developed exactly the same as the past, for longevity. I’ve culled intensively and I’m only bringing the cream of the crop to town. They are not pushed, never go above a 46 MgCal diet and raised in large pastures and pens. As usual, they will be in great shape and ready for cows. They also have been ultra-sounded and semen tested. The bulls carry a first breeding season guarantee with many discounts and delivery options available. The fall bulls were weaned on grass and didn’t go on feed until they were a year old. Scale busting weights have never been a goal for me. Please consider this when looking at the offering but I guarantee this set will add frame, length and pounds to any set of calves plus a bull that will hold together during your breeding season.

I would like to thank all of my past customers for their loyalty and for the new ones for taking the time to consider an investment in LaGrand Angus. Our success derives on getting better every year and your demand drives me to produce better cattle. I would also like to thank all my friends and family with a special thanks to my office manager, Malynda Penner and my cousin Dave Pankratz for making this come together. Please feel free to stop by or call with any questions. A beef lunch is on me sale day and I’m looking forward to visiting with you soon. For sure the 28th!

Sincerely,
Lance LaGrand Pankratz
