Angus Customers and Friends,

We'd like to invite and welcome you and your family to our 37th annual bull sale. What a difference a year can make. It was nice to get a break from the past two winters. This year's weather was easier on the bulls and the management. We've culled down the bull numbers harder than normal to ensure that our customers are getting the very best offerings.

On sale day, Wednesday, May 15, the bulls will be penned in smaller groups outside with room for our customers to view them safely. A complimentary supper will be served starting at 5 p.m., and the sale will start at 6. If you would like to preview the bulls prior to sale day, you can see them at www.dvauction.com.

Our bull offering consists of our herd sires including: Spring Valley Outside 4615, CW 913 Goalkeeper 31, Chestnut Growth Fund 421, EB Raindance 02176 and S Power Point 8520. Our A.I sires are the following: Sitz Resilient 10208, Tehama Tahoe B767, GAR Ashland and S Architect 9501. These bulls have been fed a high-roughage ration of silage, corn, chopped alfalfa, mineral and protein concentrate designed to encourage growth and muscle development while cutting back excessive fat, as well as ensuring longevity.

Harlie, Ryan and Logan Hoyt

If any one wishes to view the bulls prior to sale day or if you have any questions, give us a call or stop by the ranch and take a look. If you cannot make the sale day, we offer confidential phone bids or you can contact Vern Frey at 701-721-0344 or Kirby Goettsch at 605-380-3939 any time prior to the sale day or on sale day. As a convenience to our customer, the sale will be broadcast with opportunity for live bidding at www.dvauction.com on sale day, Wednesday, May 15, starting at 6 p.m.

We are available every day of the week to answer any questions. Please give Bobby or Ryan a call, and we will do our best to assist you in any way we can. Thank you for your business!

Bobby Hoyt, Cassidy Hoyt, Daniel & Joslyn Gleason, and Sharon Hoyt

Sheila Hoyt

Sincerely,

If a problem occurs, 50% of the value of the injured bull, minus any salvage value, will go towards a replacement bull if one is available or will be given as credit in a future sale. Injury resulting in death of the bull will not be the responsibility of Hoyt Angus Ranch. This is an insurable risk that the purchaser can obtain coverage for through various livestock insurers. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage. All claims must be made prior to September 1, 2024.
