## Selling 70 Bred Heifers

to calve in the spring of 2025

### Purebred Red Angus

### Hybrids (Simmental x Red Angus)

All are offered – none held back

### Purebred Simmentals

*All heifers will have registration papers transferred to their new owners unless otherwise noted.*

*There could be additional heifers available on a supplement sheet sale day.*

All the heifers will be penned as groups to be viewed ahead of our Private Treaty Auction. We will conduct the sale in the same manner as when we sold the heifers as calves, but now they will be sold as bred heifers, selling in groups of two or three. Prices starting at \$3,000.

The bulls were turned out on May 10, 2024, and ultrasound pregnancy tested in August 6 and 7. A lot of the heifers are bred to calve in February. An ultrasound picture of the calf in utero is provided for each heifer.
